If your public comments are not received on time for the specific agenda item you want to address, your public comments will be read at the public comment section prior to the board going to closed session.

The purpose of public comment is an opportunity for members of the public to inform the governing body about their views. The Board of Governors appreciates hearing the input as it considers the business on the Agenda. All public comments submitted will be read for up to 3 minutes during the meeting. The process for public comment is evolving and may change at future meetings. We thank you for your patience.

2. Public Comment (*Please read instructions above.*) *Chair*

3. Approve Consent Agenda Items *Chair*

(A consent agenda is a way the Board of Governors can approve many motions at the same time to improve efficiency at the meeting. Most motions on a consent agenda have already been discussed at a previous Board Committee meeting. According to the Brown Act [California Government Code Section 54954.3(a)], the agenda need not provide an opportunity for public comment on any item that has already been considered by a committee. Sometimes routine motions are placed on the consent agenda by staff, and those have motion numbers that start with "BOG".)
