

## Provider Leadership Program 2022

The Provider Leadership Program is offered free of charge to all participants.

### Purpose

L.A. Care is pleased to partner with the **Center for Health Care Strategies** to offer the **Provider Leadership Program** (PLP), developed to enhance the capacity of providers in established and emerging leadership roles within Los Angeles County community health centers. The goal of the PLP is to affect transformational change within participants' health centers and ultimately improve patient care and health outcomes.

### Visit our program website

Please visit our program website [lacare.org/plp](https://lacare.org/plp) to access the following information:

- 1 Informational Sessions:** Although participation is not required to apply, we highly encourage interested applicants to join one of our scheduled informational calls.
- 2 Program Activities:** A calendar of activities delivered in a 100% virtual environment will include individualized leadership assessment and personal coaching; virtual leadership seminars; and support for completion of a transformation leadership project.
- 3 Application Submission Instructions:** Prospective applicants may access the application and Letter of Support template via our [website](#). Both components are due by *5 pm PT on Friday, March 25, 2022*.
- 4 Participant Selection Criteria:** Up to 20 participants employed by safety net provider organizations in Los Angeles County contracted with L.A. Care Health Plan will be competitively selected based on their application responses and ability to commit to participate in all program activities.
- 5 Eligibility Requirements:** We welcome applications from clinician leaders who are exploring or are already in a leadership role. Applicants must be a licensed clinician including, but not limited to: physician associates, nurse practitioners, licensed clinical social workers, behavioral health providers, dentists, pharmacists, and physicians.
- 6 Participant Expectations:** Commit personally and secure organizational support to participate in all program activities.

## Apply today to be part of the 2022 PLP Cohort
