John Baackes	<p>received very positive response and good media coverage. An announcement for other aspects of the program will be released in the first week of September.</p> <p>Howard Dean, former Governor of Vermont, will be the guest speaker at the Board Retreat.</p>	
<b>COMMITTEE ISSUES</b>		
<p><b>Government Affairs Update</b></p> <p>Cherie Compartore</p>	<p>Cherie Compartore, <i>Senior Director, Government Affairs</i>, referenced the legislative matrix included in the meeting materials (<i>a copy of the report may be requested by contacting Board Services</i>), and reported:</p> <p><u>State</u></p> <p>The Legislature has completed its review of bills that were on the Suspense File. Bills that did not make it off suspense are considered dead. A few bills relating to health care reform are now dead; including expansion of Medi-Cal to undocumented adults, income disregard for those who are considered Aged, Blind or Disabled, state funded tax credits for purchasing coverage on the Exchange, state funded premium payment subsidies, and expansion of automated gateways to Medi-Cal. The Governor indicated he would not sign the bills into law even if passed by the Legislature.</p> <p>The session concludes on August 31. Bills must be approved by that date to be sent to the Governor for consideration. L.A. Care had supported the Federally Qualified Health Center (FQHC) bill that would allow for reimbursement for multiple service visits on same day, and a bill which prohibits short term health plans on the exchange.</p> <p>Member Delgado asked why L.A. Care is opposed to AB 2299. Ms. Compartore responded L.A. Care opposed the bill because requirements are already in place. This bill expands requirements to every piece of literature and may impede distribution of information that is not translated. The bill is repetitive of other requirements the Department of Health Care Services (DHCS) already has the authority to impose.</p>	
<p><b>Human Resources Policies</b></p> <p>Terry Brown</p>	<p>Terry Brown, <i>Chief Human Resources Officer</i>, presented a motion for revised Human Resources (HR) policies. L.A. Care Policy HR-501 requires that the Executive Committee annually review substantial changes to the HR Policies. In 2006 the Board delegated to the Executive Committee the annual review of the Human Resource Policy. The revised and new policies are written to reflect updates to L.A. Care's practices, and to incorporate any changes necessitated by law.</p>

AVCC is in financial distress and is an important part of the delivery system in the Antelope Valley. AVCC provides service to approximately 38,000 unique patients, about 20,000 of which are L.A. Care members. No other providers can serve these populations. AVCC is currently in negotiation with other parties. This grant will serve as a funding bridge until negotiations are completed.</p> <p>Member Booth asked how many physicians and individual providers are at AVCC. Mr. Baackes responded that there are 10 PCPs, but he had no information on the number of midlevel providers. There are two clinic sites and two mobile clinics. The grant will help retain the doctors in the Antelope Valley.</p> <p><b><u>Motion EXE 100.0918</u></b>  <b>To approve delegated authority to Chief Executive Officer, John Baackes, to issue up to \$335,000 thru a Community Benefits Community Health Investment Fund award to the Antelope Valley Community Clinic to support safety net access to health care for L.A.
