Coverage for: Individual + Family | Plan Type: HMO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>lacare.org/members/welcome-la-care/member-documents/la-care-covered</u> or call 1-855-270-2327 (TTY 711). For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>healthcare.gov/sbc-glossary</u> or call 1-855-270-2327 (TTY 711) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$6,300 individual or \$12,600 family.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Family, physician, and specialist office visits, preventive care, and other services not subject to deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount, but a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	Yes. \$500 individual or \$1,000 family for prescription drug coverage. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$7,800 individual or \$15,600 family.  Per calendar year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See lacare.lacare.org or call 1-855-270-2327 (TTY 711) for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a participating <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>non-participating provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>participating provider</u> might use a <u>non-participating provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes. Your Primary Care Physician (PCP) needs to refer you.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .
