Thank you for selecting L.A. Care *Covered*™!

We are proud to provide quality care and service to L.A. Care members in Los Angeles County. To make sure that our members receive the best possible care, L.A. Care has a large network of doctors who serve all of Los Angeles County. This provider directory lists participating providers and facilities who work with L.A. Care to provide covered services to our members. A provider is a doctor or other health care professionals that will see you or treat you. Examples of a facility is a clinic, hospital, or urgent care center where you go to receive care.

Your Doctor is Called a Primary Care Physician or "PCP"

When you joined L.A. Care, you selected a doctor for each member. If you didn't, we selected one for you based on where you live. This doctor is called a Primary Care Physician or "PCP." This PCP will arrange most of your care unless it is an emergency. Your PCP's name and phone number are on your ID card.

You must get all your covered services, except for emergency services, from providers within our network that are affiliated with your PCP's medical group. If you go to providers outside the network you may have to pay a bill.

How to Select a New Doctor (PCP)

Select a new doctor using this directory and following the steps below. Or find a doctor online. Go to lacare.org and sign in to your L.A. Care *Connect*™ member account. The request must be received by the 20th day of the month to be effective the first of the next month. If the request is received after the 20th day of the month, it will be effective one month later.

Steps to select a new doctor using this directory:

1. **Find your city.** In this provider directory, go to the city of your choice to find a list of participating clinics, doctors, specialist, and other providers near you.
2. **Check the list.** To help you pick, we have listed doctor's office hours, specialties and the languages they speak.

You may select this

type of doctor…	to care for
Family Practice	All ages
General Practice	Ages 16 & older
Internal Medicine	Ages 16 & older
Ob/Gyn (women only)	Ages 16 & older
Pediatrics	Ages 21 & younger

3. **Select a doctor, clinic, or medical group.** You can pick a different doctor for each enrolled member. However, if you pick a different doctor for each member, we suggest that you pick doctors who work in the same clinic or office.

4. **Call us when you have made your choice.** Let us know the name and the code number shown in the provider directory for that doctor name or medical group. Call Member Services at **1.855.270.2327** (TTY **711**).

If you are receiving care now from a doctor not listed in this provider directory and you want to continue getting care from that doctor, call us right away. We will work with you and your doctor to coordinate care.

Language assistance services

We offer no-cost interpreting services, including American Sign Language, 24 hours a day, 7 days a week. An interpreter can help you talk with your doctor during the health visit. You should never use friends, family, or children as interpreters.

Call L.A. Care at **1.855.270.2327 (**TTY **711)** at least 10 business days before the doctor visit to request an interpreter.

Access Information for People with Disabilities

You will see that many doctor's offices and clinics have letters (P, B, W, E, T, R) after their phone numbers. These letters mean that a nurse visited the office and saw that the doctor's office has some kind of access for people with disabilities. You can find doctors with these accommodations in this Provider Directory. Member Services can also help you locate a doctor who can meet your special needs.

P = PARKING: accessible ("Handicapped") parking spaces, ramps and curbs between parking and offices.

Estamos orgullosos de ofrecer atención médica de calidad y servicios para miembros de L.A. Care en el condado de Los Ángeles. Para asegurarnos de que nuestros miembros reciban la mejor atención posible, L.A. Care cuenta con una amplia red de médicos que brindan sus servicios a todo el condado de Los Ángeles. Este Directorio de proveedores proporciona una lista de proveedores e instalaciones participantes que trabajan con L.A. Care para ofrecer servicios cubiertos a nuestros miembros. Un proveedor es un médico u otros profesionales de la atención médica que lo verán o tratarán. Ejemplos de instalaciones son una clínica, un hospital o un centro de atención médica de urgencia al que acude para recibir atención.

A su médico se le denomina médico de atención primaria o "PCP"

Cuando usted se afilió a L.A. Care, eligió a un médico para cada miembro. Si no lo hizo, nosotros elegimos uno para usted con base en su domicilio. A este médico se le denomina médico de atención primaria (*primary care physician*, "PCP"). El PCP se hará cargo de la mayor parte de su atención médica a menos que sea una emergencia. El nombre y número de teléfono de su PCP se encuentra en su tarjeta de identificación.

Usted debe recibir todos sus servicios cubiertos, excepto los servicios de emergencia, de los proveedores en nuestra red que están afiliados al grupo médico de su PCP. Si usted visita a proveedores fuera de la red, es posible que deba pagar una factura.

Cómo elegir un nuevo médico (PCP)

Elija un nuevo médico usando este directorio y siga los pasos que aparecen más adelante, o encuentre un médico en línea. Vaya a **lacare.org/es** e ingrese a su cuenta de miembro de L.A. Care *Connect*™. La solicitud se debe recibir antes del 20.º día del mes para que entre en vigor a partir del primer día del mes siguiente. Si la solicitud se recibe después del 20.º día del mes, entrará en vigor un mes después.

Pasos para elegir un nuevo médico usando este directorio:

2. **Revise la lista.** Para ayudarle a elegir, hemos incluido los horarios de oficina de los médicos, sus especialidades y los idiomas que hablan.

   Usted puede elegir esto:

4. **Llámenos cuando haya hecho su elección.** Infórmenos el nombre y código numérico correspondiente al nombre del médico o grupo médico; se indica en el Directorio de proveedores. Llame a Servicios para los Miembros (*Member Services*) al **1.855.270.2327** (TTY **711**).

Le ofrecemos servicios de interpretación sin costo, incluido el lenguaje de señas americano, las 24 horas al día, los 7 días de la semana. Un intérprete puede ayudarle a conversar con su médico durante la visita de atención médica. Nunca utilice amigos, familiares ni menores como intérpretes.

Llame a L.A. Care al **1.855.270.2327** (TTY **711**) al menos 10 días hábiles antes de su visita al médico para solicitar un intérprete.

Usted puede encontrar médicos con esa clase de facilidades en este Directorio de proveedores. Servicios para los Miembros también puede ayudarle a localizar un médico que pueda satisfacer sus necesidades especiales.

L.A. Care's Provider and Hospital Networks: *A Positive Member Experience For You*

L.A. Care Covered™

How Do We Select Our Providers and Hospitals to Ensure You Have a Positive Member Experience?

Network Design Criteria for Physician Providers

L.A. Care's physician provider network for L.A. Care *Covered*™ and L.A. Care Covered *Direct*™ is designed based on specific criteria that determines the selection of the Participating Physician Groups (PPGs) and other physician providers. Physician providers are selected to provide Members' access to multiple specialties, including but not limited to: Allergy, Cardiology, Ophthalmology, Gastroenterology, General Surgery, Nephrology, Neurology, Obstetrics and Gynecology, Orthopedics, Pulmonology, and Urology. This design ensures members have access to a large number of physicians in different fields/specialties within a 15-mile radius or 30 minute driving time from their residence.

All physician providers, including specialists, must meet L.A. Care's applicable credentialing requirements.

L.A. Care evaluates, on an ongoing basis, physician providers in its network for quality measures and requires physician providers, such as primary care physicians, to meet minimum clinical quality measures in many areas of care including preventive services (e.g. childhood immunizations, health screenings), managing chronic diseases (e.g. diabetes and asthma), and Prenatal and Postpartum Care. Certain physician providers are also evaluated on Member experience measures, such as getting timely appointments and how timely Members' questions are answered when they contact the physician provider's office.

In designing its criteria, L.A. Care reviews and incorporates nationally recognized measures, including those developed by the National Committee for Quality Assurance and the National Quality Forum.

L.A. Care does <u>not</u> use cost-related measures to select physician providers for its network.

L.A. Care uses the same physician criteria for all networks for all plans.

Network Design Criteria for Hospital Providers

L.A. Care's hospital network for L.A. Care *Covered*™ and L.A. Care Covered *Direct*™ is selected based on specific criteria in compliance with applicable regulations and incorporating nationally recognized measures. These criteria also include meeting certain Member needs, including Hospitals' proximity to a Member's residence (generally, within a 15-mile radius of the Member's home); admitting privileges of physician providers who care for Members; and licensure and accreditation status, including being accredited by The Joint Commission, an independent, nationally recognized not for profit body whose accreditation/certification is recognized as a symbol of quality that reflects a hospital's commitment to meeting certain performance standards.

L.A. Care does not directly use quality measures, member experience measures, patient safety measures or cost-related measures prior to selecting a hospital for its network. However, L.A. Care generally requires its network hospitals to be accredited by The Joint Commission which may include patient satisfaction surveys as part of its accreditation standards

L.A. Care uses the same hospital criteria for all networks for all plans.

Redes de proveedores y hospitales de L.A. Care:
Una experiencia positiva para miembros como usted

L.A. Care Covered™

¿Cómo seleccionamos a nuestros proveedores y hospitales para garantizar que usted tenga una experiencia positiva como miembro?

Criterios para el diseño de la red de proveedores médicos

La red de proveedores médicos de L.A. Care para L.A. Care *Covered*™ y L.A. Care Covered *Direct*™ está diseñada con base en criterios específicos que determinan la selección del Grupo de Médicos Participantes (*Participating Physician Group*, PPG) y otros proveedores médicos. La selección de los proveedores médicos tiene como objetivo proporcionar a los miembros acceso a distintas especialidades, entre las que se incluyen; Alergias, Cardiología, Oftalmología, Gastroenterología, Cirugía General, Nefrología, Neurología, Obstetricia y Ginecología, Ortopedia, Neumología y Urología. Este diseño garantiza que los miembros tengan acceso a una gran cantidad de médicos en diferentes campos o especialidades dentro de un radio de 15 millas o 30 minutos en automóvil desde su casa.

Todos los proveedores médicos, incluidos los especialistas, deben reunir los requisitos de certificación que correspondan.

L.A. Care evalúa, de manera continua, a los proveedores médicos de su red para garantizar las medidas de calidad y exige que los proveedores médicos, como los médicos de atención primaria, cumplan con las medidas de calidad clínica mínimas en distintas áreas de la atención médica, incluidos los servicios preventivos (esto es, vacunación infantil, evaluaciones de salud), el manejo de las enfermedades crónicas (p. ej., diabetes y asma) y la atención prenatal y posparto. Algunos proveedores médicos también son evaluados con base en las medidas relacionadas con la experiencia de los miembros, como la obtención de citas oportunas y si sus preguntas fueron respondidas de manera oportuna cuando se comunicaron con el consultorio del proveedor médico.

Al diseñar sus criterios, L.A. Care revisa e incorpora medidas reconocidas a nivel nacional, incluidas aquellas desarrolladas por el Comité Nacional de Control de Calidad (National Committee for Quality Assurance) y el National Quality Forum.

L.A. Care no usa medidas relacionadas con los costos para seleccionar proveedores médicos para su red.

L.A. Care usa el mismo criterio médico en todas las redes de sus planes.

Criterios para el diseño de la red de proveedores de hospitales

La red hospitalaria de L.A. Care para L.A. Care *Covered*™ y L.A. Care Covered *Direct*™ se selecciona con base en criterios específicos en cumplimiento con los reglamentos aplicables y la incorporación de medidas reconocidas a nivel nacional. Estos criterios también incluyen la atención de algunas necesidades de los miembros, como la proximidad de los hospitales al lugar de residencia de los miembros (generalmente, dentro de un radio de 15 millas de la casa del miembro); privilegios para la admisión de pacientes por parte de los médicos que atienden a los miembros; licencias y acreditaciones, como la acreditación de The Joint Commission, un organismo sin fines de lucro, independiente, reconocido a nivel nacional cuya acreditación o certificación es símbolo de calidad que refleja el compromiso de un hospital para reunir determinados estándares de rendimiento.

L.A. Care no utiliza directamente medidas de calidad, medidas de la experiencia de los miembros, medidas de la seguridad de los pacientes o medidas relacionadas con los costos antes de elegir hospitales para su red. Sin embargo, L.A. Care exige, por lo general, que su red hospitalaria esté acreditada por The Joint Commission, lo que puede incluir encuestas de satisfacción de los pacientes como parte de sus estándares de acreditación.

L.A. Care usa los mismos criterios de hospitales en todas las redes de sus planes.
