 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit lacare.org/members/welcome-la-care/member-documents/la-care-covered or call 1-855-270-2327 (TTY 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1-855-270-2327 (TTY 711) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$75 individual or \$150 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Family, physician, and specialist office visits, preventive care, and other services not subject to deductible.	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan ?	For participating providers \$1,000 individual or 2,000 family. Per Calendar Year	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums and health care this plan doesn't cover	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See lacare.org or call 1-855-270-2327 (TTY 711) for a list of participating providers .	This plan uses a provider network . You will pay less if you use a participating provider in the plan's network . You will pay the most if you use a non-participating provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your participating provider might use a non-participating provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes. Your Primary Care Physician (PCP) needs to refer you.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .

Summary of Benefits

Endnotes:

- 1) Any and all cost-sharing payments for in-network covered services apply to the out-of-pocket maximum. If a deductible applies to the service, cost sharing payments for all in-network services accumulate toward the deductible. In-network services include services provided by an out-of-network provider but are approved as in-network by the issuer.
- 2) Member is responsible for all charges when receiving out-of-network care, unless services rendered are deemed a medical emergency or services rendered are approved by the Plan. In some cases, a non-plan provider may provide covered services at an in-network facility where you have been authorized to receive care. You are not responsible for any amounts beyond your cost share for the covered services you receive at plan facilities or at in-network facilities where you have been authorized to receive care.
- 3) Cost-sharing payments for drugs that are not on-formulary but are approved as exceptions accumulate toward the Plan's in-network out-of-pocket maximum.
- 4) In coverage other than self-only coverage, an individual's payment toward a deductible, if required, is limited to the individual annual deductible amount. In coverage other than self-only coverage, an individual's out-of-pocket contribution is limited to the individual's annual out-of-pocket maximum. After a family satisfies the family out-of-pocket maximum, the issuer pays all costs for covered services for all family members.
- 5) Co-payments may never exceed the plan's actual cost of the service. For example, if laboratory tests cost less than the \$8 copayment, the lesser amount is the applicable cost-sharing amount.
- 6) Coverage for transportation by airplane, passenger car, taxi or other form of public transportation is not covered.
- 7) The health issuer may not impose a member cost share for Diabetes Self-Management which is defined as services that are provided for diabetic outpatient self-management training, education and medical nutrition therapy to enable a member to properly use the devices, equipment, medication, and supplies, and any additional outpatient self-management training, education, and medical nutrition therapy when directed or prescribed by the member's physician. This includes but is not limited to instruction that will enable diabetic patients and their families to gain an understanding of the diabetic disease process, and the daily management of diabetic therapy, in order to avoid frequent hospitalizations and complications.
- 8) The cost sharing for hospice services applies regardless of the place of service.
- 9) The inpatient physician cost share may apply for any physician who bills separately from the facility (e.g. surgeon). A member's primary care physician or specialist may apply the office visit cost share when conducting a visit to the member in a hospital or skilled nursing facility. If the facility does not bill the facility fee and the physician/surgeon fee separately, the cost-sharing requirements for the facility fee will apply to the entire charge.
- 10) The Outpatient Visit line item within the Outpatient Services category includes but is not limited to the following types of outpatient visits: outpatient chemotherapy, outpatient radiation, outpatient infusion therapy and outpatient dialysis and similar outpatient services
- 11) Initial outpatient/office visit to diagnose or determine treatment does not require prior authorization. Routine office-based outpatient care to diagnose or treat mental health or substance use disorders does not require pre-authorization when rendered by an in-network provider. There is no limit on the number of outpatient/office visits.
- 12) Cost-sharing for services subject to the federal Mental Health Parity and Addiction Equity Act (MHPAEA) may be different but not more than those listed in these standard benefit plan designs if necessary for compliance with MHPAEA.
- 13) Residential substance abuse treatment that employs highly intensive and varied therapeutics in a highly-structured environment and occurs in settings including, but not limited to, community residential rehabilitation, case management, and aftercare programs, is categorized as substance use disorder inpatient services
- 14) Outpatient Partial Hospitalization Services include short-term hospital-based intensive outpatient care. For Outpatient Partial Hospitalization Services, an episode of care is the date from which the patient is admitted to the Partial Hospitalization Program and ends on the date the patient is discharged or leaves the Partial Hospitalization Program. Any Services received between these two dates would constitute an episode of care. If the patient needs to be readmitted at a later date, then this would constitute another episode of care

- 15) Behavioral health treatment for autism and pervasive developmental disorder is covered under Mental/Behavioral health outpatient services
- 16) For drugs to treat an illness or condition the copay or co-insurance applies to an up to 30-day prescription supply. For example, if the prescription is for a month's supply, one co-pay or co-insurance can be collected. Nothing in this note precludes an issuer from offering mail order prescriptions at a reduced cost-share.
- 17) Drug tiers are defined as follows:

Tier	Definition
1	1) Most generic drugs and low cost preferred brands.
2	1) Non-preferred generic drugs
	2) Preferred brand name drugs and;
	3) Any other drugs recommended by the plan's pharmaceutical and therapeutics (P&T) committee based on drug safety, efficacy and cost.
3	1) Non-preferred brand name drugs or;
	2) Drugs that are recommended by P&T committee based on drug safety, efficacy and cost or;
	3) Generally have a preferred and often less costly therapeutic alternative at a lower tier.
4	1) Drugs that are biologics and drugs that the Food and Drug Administration (FDA) or drug manufacturer requires to be distributed through specialty pharmacies or;
	2) Drugs that require the enrollee to have special training, clinical monitoring or;
	3) Drugs that cost the health plan (net of rebates) more than six hundred dollars (\$600) net of rebates for a one-month supply.

*Some drugs may be subject to zero cost-sharing under the preventive services rules.

- 18) Issuers must comply with 45 CFR Section 156.122(d) dated February 27, 2015 which requires the health plan to publish an up-to-date, accurate and complete list of all covered drugs on its formulary list including any tiering structure that is adopted
- 19) A plan's formulary must include a clear written description of the exception process that an enrollee could use to obtain coverage of a drug that is not included on the plan's formulary
- 20) Member cost-share for oral anti-cancer drugs shall not exceed \$250 for a script up to 30 days per state law (Health and Safety Code §1397.656 Insurance Code §10123.206).
- 21) If a provider authorizes a Brand Name drug that is not deemed medically necessary by the Plan, the Member has the choice of accepting a Generic Drug alternative, or the Member is responsible for the difference between the cost to L.A. Care for the Brand Name drug equivalent.
- 22) For all FDA-approved tobacco cessation medications, no limits on the number of days for the course of treatment (either alone or in combination) may be imposed during the plan year.
- 23) There is no co-payment or Coinsurance for contraceptive drugs and devices, however, if a Brand Name contraceptive drug is requested when a Generic Drug equivalent is available, the Member is responsible for the difference between the cost to L.A. Care for the Brand Name contraceptive drug equivalent. In addition, select contraceptives may require prior authorization to be covered without a co-payment or Coinsurance.
- 24) The Other Practitioner category may include Nurse Practitioners, Certified Nurse Midwives, Physical Therapists, Occupational Therapists, Respiratory Therapists, Clinical Psychologists, Speech and Language Therapists, Licensed Clinical Social Worker, Marriage and Family Therapists, Applied Behavior Analysis Therapists, acupuncture practitioners, Registered Dietitians and other nutrition advisors. Nothing in this note precludes a plan from using another comparable benefit category other than specialist for a service provided by one of these practitioners. Services provided by specialists for the treatment of mental health or substance use disorder conditions shall be categorized as Mental/Behavioral Health or Substance Use Disorder outpatient services.

- 25) Specialists are physicians with a specialty as follows: allergy, anesthesiology, dermatology, cardiology and other internal medicine specialists, neonatology, neurology, oncology, ophthalmology, orthopedics, pathology, psychiatry, radiology, any surgical specialty, otolaryngology, urology, and other designated as appropriate.
- 26) This includes pacemakers, intraocular lenses, cochlear implants, osseointegrated hearing devices, and hip joints
- 27) Well vision exam, frames and lenses available once per calendar year. Lenses include single vision, lined bifocal or lenticular, polycarbonate, plastic or glass covered in full, UV and scratch covered in full. Frames from a Pediatric Exchange Collection covered in full. Contact lenses, in lieu of glasses are covered in full. Standard, one pair annually. Monthly (6-month supply), Bi-weekly (3-month supply) and Dailies (1-month supply). Limitations include the following: two pairs of glass instead of bifocals, replacement of lenses, frames or contacts, medical or surgical treatment, orthoptics, vision training or supplemental testing. Items not covered under contact lens coverage: insurance policies or service agreements, artistically painted or non-prescription lenses, additional office visits for contact lens pathology and contact lens modification, polishing or cleaning. Laser vision correction discount, 15% off of regular price or 5% off of promotional price; discounts only available from contracted facilities.
- 28) As applicable, for the child dental portion of the benefit design, an issuer may choose the child dental standard benefit copay or coinsurance design, regardless of whether the issuer selects the copay or the coinsurance design for the non-dental portion of the benefit design. In the Catastrophic plan, the deductible must apply to non-preventive child dental benefits.
- 29) A health plan benefit design that utilizes the child dental standard benefit copay design must adhere to the Covered California 2020 Dental Copay Schedule.
- 30) Member cost share for Medically Necessary Orthodontia services applies to course of treatment, not individual benefit years within a multi-year course of treatment. This member cost share applies to the course of treatment as long as the member remains enrolled in the plan.
- 31) For any benefit plan design in which a designation of Individual-Only or CCSB-Only is not present, the benefit plan design shall be applicable to the individual and small group markets. If a health plan seeks to offer such benefit plan design(s) in both markets, they shall be treated as separate benefit plan designs for purposes of regulatory compliance

No-cost interpreting services

You have the right to no-cost interpreting services when getting health care services. L.A. Care offers no-cost interpreting services in your language, including American Sign Language. These services are available 24 hours a day, seven (7) days a week. It is important to use a professional interpreter at your doctor appointment to help you communicate with your doctor so that you understand your health and how to take care of yourself. The professional interpreter is trained and knows medical words and will interpret everything that is said between you and your doctor, correctly and completely. The interpreter keeps your conversation with your doctor confidential and private. You should not use friends or family, especially children to interpret for you.

Call L.A. Care Member Services at **1.855.270.2327 (TTY 711)** if you need interpreting services. We can assist you in your language over the phone and make sure that you have an interpreter for your next appointment. To request an interpreter:

Step 1: Make your appointment with your doctor

Step 2: Call L.A. Care at **1.855.270.2327 (TTY 711)** at least ten business days before your appointment with the following information:

- Your name
- Your member ID number
- Date and time of your appointment
- Doctor's name
- Doctor's address and phone number

If your appointment with your doctor is changed or canceled, call L.A. Care Member Services at **1.855.270.2327 (TTY 711)** as soon as possible.

Access information for people with disabilities

Many doctors' offices and clinics have accommodations that make medical visits easier for people with disabilities such as accessible parking spaces, ramps, large exam rooms, and wheelchair friendly scales. You can find doctors with such accommodations in the Provider Directory. L.A. Care Member Services can also help you locate a doctor who can meet your special needs.

A doctor's office, clinic or hospital cannot deny you services because you have disabilities. Call L.A. Care Member Services at **1.855.270.2327 (TTY 711)** if you cannot get the services you need or if services you need are difficult to get.

Remember: Tell your doctor's office if you may require additional time during your visit, because you need extra help.

Complaints

You have the right to file a complaint if:

- You feel that you were denied services because of a disability or you do not speak English
- You cannot get an interpreter
- You have a complaint about the interpreter
- You cannot get information in your language or format
- Your cultural needs are not met

You can learn more about this in the "*Grievance & Appeals*" section of this *Subscriber Agreement & Member Handbook*.

Service Area

The Service Area for L.A. Care *Covered*[™] is Los Angeles County (excluding Catalina Island). You and your Eligible Dependents must live in the Service Area and must select or be assigned to a PCP who is located sufficiently close to your home or workplace to ensure reasonable access to care, as determined by L.A. Care. Upon change of residence outside L.A. Care's Service Area, your coverage under L.A. Care *Covered*[™] will terminate as required by Covered California[™]

If you travel outside of Los Angeles County

As a member of L.A. Care *Covered*[™], your service area is Los Angeles County (excluding Catalina Island). All locations outside of Los Angeles County (including outside the United States) are out of your service area.

Routine care is not covered out of service area. Emergency and urgent care services are covered outside of Los Angeles County.

Outside of Los Angeles County?

If you have an emergency when you are not in Los Angeles County, you can get emergency services at the nearest emergency facility (doctor's office, clinic, or hospital) including when traveling outside of California or the United States. Emergency services do not require a referral or an okay from your PCP.

If you are admitted to a hospital not in L.A. Care's network or to a hospital your PCP or other doctor does not work at, L.A. Care has the right to move you to a network hospital as soon as you are medically safe.

Your PCP must provide follow-up care when you leave the hospital.

Please see the "Emergency Services" section for more details on emergency care.

Timely Access of Care

California law requires health plans to provide timely access to care. This means that there are limits on how long you have to wait to get health care appointments and telephone advice.

If you have a problem getting timely access to care, you should call L.A. Care *Covered*[™] at the phone number located on your ID Card. If L.A. Care *Covered*[™] is not able to resolve your problem, contact the DMHC Help Center at www.HealthHelp.ca.gov of **1.888.466.2219**

Appointment Wait Times

Health plan members have the right to appointments within the following time frames:

Urgent Appointments	Wait Time
For services that do not require prior approval	48 hours
For services that do require prior approval	96 hours
Urgent Appointments	Wait Time
Primary care appointment	10 business days
Specialist appointment	15 business days
Appointment with a mental health care provider (who is not a physician)	10 business days
Appointment for other services to diagnose or treat a health condition	15 business days

Telephone Wait Times

- You can call 24-hours-a-day, 7 days a week to talk to a qualified health professional to decide if your health problem is urgent. If someone needs to call you back, they must call you within 30 minutes. Look for the phone number on your ID card.
- if you call your plan's customer service phone number, someone should answer the phone within 10 minutes during normal business hours.

Exceptions

- The purpose of the timely access law is to make sure you get the care you need. Sometimes you need appointments even sooner than the law requires. In this case, your doctor can request that the appointment be sooner.
- Sometimes waiting longer for care is not a problem. Your

provider may give you a longer wait time if it would not be harmful to your health. It must be noted in your record that a longer wait time will not be harmful to your health.

- If you can't get a timely appointment in your area because there are not enough providers, your health plan must help you get an appointment with an appropriate provider.

Please contact L.A. Care's Nurse Advice Line at **1.800.249.3619**, 24 hours a day, 7 days a week to access triage or screening services by telephone.

How to Get Care

Please read the following information so that you will know how and where to get care.

Primary Care Physician (PCP)

Please read the following information so you will know from whom or what group of providers, health care may be obtained.

All L.A. Care Members must have a Primary Care Physician (PCP). The name and phone number of your PCP is found on your L.A. Care Member ID card. Except for emergency services, your PCP will arrange all your health care needs, refer you to specialists, and make hospital arrangements.

Each PCP works with a Participating Provider Group (PPG), which is another name for medical group. Each PPG works with certain specialists, hospitals, and other health care providers. The PCP you choose determines which health care providers are available to you.

What is the difference between an Enrollee and an Enrolled Dependent?

While both are Members of L.A. Care, there's a difference between an Enrollee and an Enrolled Dependent. An Enrollee is the Member who enrolled with L.A. Care after being determined eligible by Covered California™. The Enrollee pays the monthly premiums to L.A. Care for his or her health care coverage for him- or herself and any Enrolled Dependent(s). An Enrolled Dependent is someone, such as a child, whose dependent status with the Enrollee allows him or her to be a Member of L.A. Care.

Why point out the difference? Because Enrollees often have special responsibilities, including sharing benefit updates with any Enrolled Dependent(s). Enrollees also have special responsibilities that are noted throughout this publication. If you're an Enrollee, please pay attention to any instructions given specifically for you.

Scheduling Appointments

Step 1: Call your PCP

Step 2: Explain why you called

Step 3: Ask for an appointment

Your PCP's office staff will tell you when to come in and how much time you will need with your PCP. (Please see the "Summary of Benefits" section to know which services require co-payments).

Clinic and doctor appointments are generally available Monday through Friday between 8 a.m. and 4:30 p.m. Evening and Saturday clinic/doctor office appointments may be available at some L.A. Care sites. Please call your PCP office to confirm his/her hours or you may check our online Provider Directory at lacare.org.

If you need medical advice during clinic/doctor office hours, you may call your PCP and speak to her/him or call L.A. Care's Nurse Advice line at **1.800.249.3619**. If you need care when your PCP's office is closed (such as after normal business hours, on the weekends or holidays), call your PCP's office. Ask to speak to your PCP or to the doctor on call. A doctor will call you back.

You can also call the Nurse Advice Line number that is on your Member ID card. This service is available to you 24 hours a day, seven (7) days a week, to help answer your health care questions and have your health concerns and symptoms reviewed by a registered nurse. This service is free of charge and available to you in your language. The PCP or L.A. Care nurse will answer your questions and help you decide if you need to come into the clinic/doctor's office.

For urgent care (this is when a condition, illness or injury is not-life threatening, but needs medical care right away), call or go to your nearest urgent care center. Many of L.A. Care's doctors have urgent care hours in the evening, on weekends or during holidays.

If you cannot come in for your appointment, you should call as far ahead as possible to let the clinic or doctor's office know. You can schedule another appointment at that time. Waiting time for an appointment may be extended if the provider determines that a longer waiting time will not have a detrimental impact on your health. The rescheduling time of appointments shall be appropriate for your health care needs and shall ensure continuity of care.

L.A. Care will provide or arrange for 24 hours a day, 7 days a week, triage or screening services by telephone. Telephone triage or screening services waiting time will not exceed 30 minutes.

L.A. Care will ensure that all health providers have an answering service or answering machine during non-business hours that provide urgent or emergency care instructions to contact the on-call health provider.

How to change your PCP

Each member of your household that is enrolled with L.A. Care *Covered*[™] may select a different PCP. Upon enrollment, you should contact L.A. Care Member Services at **1.855.270.2327 (TTY 711)** to select a PCP. If you and your Enrolled Dependent(s) did not actively select a PCP after enrolling, L.A. Care assigned a PCP to each of you based on the following criteria:

- The language you speak;
- The distance to a PCP office near your house. We try to assign you a PCP within 10 miles; and
- The PCP's specialty most appropriate for the Member's age.

If you would like to change your or your Enrolled Dependent's PCP, please call L.A. Care Member Services at **1.855.270.2327 (TTY 711)**. You may also make this change by visiting our website at **lacare.org** and do the following:

- Click on **Member Sign in**
- Click on **Change My Doctor**
- Follow the instructions to change your doctor.
- The request must be received by the 20th day of the month to be effective the first day of the next month. If the request is received after the 20th day of the month, it will be effective one month later.
- If your new PCP works with a different PPG, this may also change the hospitals, specialists, and other health care providers from whom you may receive health care.

How to Get Information about Doctors and Specialists Who Work with L.A. Care

We are proud of our doctors and their professional training. If you have questions about the professional qualifications of network doctors and specialists, call

L.A. Care at **1.855.270.2327 (TTY 711)**. L.A. Care can tell you about the medical school they attended, their residency, or board certification.

Health Appraisal

When you enroll with L.A. Care *Covered*[™], it is important that we understand how we can be of assistance to you. Your Welcome Packet contains a form called Health Appraisal (HA). The HA includes questions that help us to better know your health care needs and how we can be of assistance to you. The information you provide will be kept confidential and shared only with your PCP or your care team. **It is important that you complete the Health Appraisal in the first four (4) months or 120 days of becoming a L.A. Care *Covered*[™] Member. Adults who successfully complete their HA within 120 days, may be eligible to receive a \$25 Target GiftCard[®].**

You can complete your Health Appraisal online by logging into your online member account at **lacare.org**. For more information about how to complete your HA, please call Member Services at **1.855.270.2327 (TTY 711)**.

New Member Check Up

It is important for new Members to get a checkup even if they are not sick. **Be sure to schedule a checkup within the first three (3) months of becoming an L.A. Care *Covered*[™] Member. Please call your PCP today to make an appointment for a "new member checkup."** This visit is also called a "well visit" or "preventive health visit." There is no co-pay for this visit. Your PCP's telephone number is on your L.A. Care Member ID card.

This first visit is important. Your PCP looks at your medical history, finds out what your health status is today, and can begin any new treatment you might need. You and your PCP will also talk about preventive care. This is care that helps "prevent" you from getting sick or keeps certain conditions from getting worse. Remember, children need to get a checkup every year, even when they are not sick, to make sure they are healthy and growing properly.

Obstetrical/Gynecological (OB/GYN) Physician Services

A female Member may arrange for obstetrical and/or gynecological (OB/GYN) services by an obstetrician/gynecologist or family practice physician who is not her designated personal physician. A referral from your PCP or from the affiliated PPG is not needed. However, the obstetrician/gynecologist or family practice physician must be in the same PPG your PCP is in. Obstetrical and gynecological services are defined as:

- Physician services related to prenatal, perinatal, and postnatal (pregnancy) care

- Physician services provided to diagnose and treat disorders of the female reproductive system and genitalia
- Physician services for treatment of disorders of the breast
- Routine annual gynecological examinations

It is important to note that services by an OB/GYN or family practice physician outside of the PCP's medical group without authorization will not be covered under this benefit plan. Before making the appointment, you should call your PCP office or Member Services at the telephone number indicated on your Member ID card to confirm that the OB/GYN is in the PPG. The OB/GYN physician services are separate from the specialist services described below under "*Referrals to Specialty Physicians.*"

Referrals and Prior Authorizations

A referral is a request for health care services that are not usually provided by your PCP. All health care services must be approved by your PCP's PPG before you get them. This is called prior authorization. Prior authorization is required for some in-network and all out-of-network providers.

There are different types of referral requests with different timeframes as follows:

- Routine or regular referral – 5 business days
- Urgent referral – 24 to 48 hours
- Emergency referral – same day

Please call L.A. Care if you do not get a response within the above time frames.

The following services do not require a prior authorization:

- Emergency services (go to "*Emergency Care Services*" section for more information)
- Preventive health services (including immunizations)
- Obstetrician and gynecological services in-network
- Sexual and reproductive health care services in network

All health care services are reviewed, approved, or denied according to medical necessity. Call L.A. Care Member Services if you would like a copy of the policies and procedures used to decide if a service is medically necessary. The number is **1.855.270.2327** (TTY 711).

Some Mental Health and Substance Use Disorder services require prior authorization, including the benefits listed below:

- Crisis Residential Program

Referrals to Specialty Physicians

Behavioral Health Services

Behavioral Health Services includes treatment for Mental Health and Substance Use Disorder conditions. Your PCP will provide you with some Behavioral Health Services within the scope of their training and practice. When you need Behavioral Health Services beyond your PCP's training and practice you will be directed to behavioral health specialists. Behavioral health services include treatment for pre and post-partum maternal mental health. Your PCP or you can call the Behavioral Health Hotline at **1.877.344.2858/1.800.735.2929** TTY/TDD to get an appointment. No prior authorization is required for most outpatient Behavioral Health Services.

Referral to Non-physician Providers

You may get services from non-physician providers who work in your PCP's office. Non-physician providers may include, but are not limited to, clinical social workers, family therapists, nurse practitioners, and physician assistants.

Standing Referrals

You may have a chronic, life-threatening or disabling condition or disease such as HIV/AIDS. If so, you may need to see a specialist or qualified health care professional for a long length of time. Your PCP may suggest, or you may ask for, what is called a standing referral.

A standing referral to a specialist or qualified health care professional needs prior authorization. With a standing referral, you will not need authorization every time you want to visit the specialist or qualified health care professional. You may ask for a standing referral to a specialist that works with your PCP or with a contracted specialty care center.

The specialist or qualified health care professional will develop a treatment plan for you. The treatment plan will show how often you need to be seen. Once the treatment plan is approved, the specialist or qualified health care professional will be authorized to provide health services. The specialist will provide health services in his or her area of expertise and training and based on the treatment plan.

Second Opinions

What is a second opinion?

A second opinion is a visit with another doctor when you:

- Question a diagnosis, or
- Do not agree with the PCP's treatment plan, or
- Would like to confirm the treatment plan.

The second opinion must be from a qualified health care professional in L.A. Care's or your PPG's network. If there is no qualified health care professional in the network, L.A. Care or your PPG will make arrangements for one. You have the right to ask for and to get a second opinion and to ask for timeliness for making routine and urgent opinions available.

What do you need to do?

Step 1: Talk to your PCP or L.A. Care and let him/ her know you would like to see another doctor and the reason why.

Step 2: Your PCP or L.A. Care will refer you to a qualified health care professional.

Step 3: Call the second opinion doctor to make an appointment.

If you do not agree with the second opinion, you may file a grievance with L.A. Care. Please refer to the section *Grievance and Appeals* for more information.

How to Find a Pharmacy

L.A. Care works with many pharmacies. You can receive a 90-day supply of maintenance medications at certain network pharmacies. Ask your doctor to write a 90-day prescription. The drugs prescribed by your PCP or specialist must be filled at a network pharmacy.

To find a pharmacy near you:

Visit the L.A. Care website at **lacare.org** to find a L.A. Care network pharmacy in your neighborhood. Click on each of the following:

- **For Members**
- **Pharmacy Services**
- **Search Now** in the **Find a Pharmacy** section

Be sure to show your L.A. Care Member ID card when you fill your prescriptions at the pharmacy.

Some medications are subject to limited distribution by the U.S. Food and Drug Administration or require special handling, provider coordination, or special education that cannot be provided at your local pharmacy. Antineoplastic and biologic agents are examples of such specialty medications and are identified in the Formulary with a special code SP –(Specialty Pharmacy Availability), MSP (Mandatory Specialty Pharmacy), LMSP (Mandatory Lumicera Specialty Pharmacy), or KMSP (Kroger Specialty Pharmacy). You may refer to the Formulary by visiting L.A. Care's website **lacare.org** for information on whether a medication must be filled at a specialty pharmacy. Click on each of the following:

- **For Members**
- **Pharmacy Services**
- **L.A. Care Covered™ Formulary** in the **Resources** section

You may also call Member Services at **1.855.270.2327** (TTY 711).

Mail Order Pharmacy

Mail-order service allows you to get up to a 90-day supply of your maintenance medications. Maintenance medications are drugs that may need to be taken for a long-term health condition, such as high blood pressure or diabetes. To set up a mail-order account or to order refill(s) for an unexpired prescription, access Kroger Mail Order Pharmacy by calling **1.800.552.6694** (TTY 711) or visiting L.A. Care's website, **lacare.org**. Click on each of the following:

- **For Members**
- **Pharmacy Services**
- **Kroger Mail Order Pharmacy Forms**

If the medication(s) has no refill(s) remaining, you will need to obtain a new prescription from your doctor or other prescriber. This is an optional and free service to members. Some medications require special handling and require that they be processed and mailed to you by an L.A. Care contracted specialty pharmacy.

What drugs are covered?

L.A. Care uses an approved list of drugs called the Formulary to make sure that the most appropriate, safe, and effective prescription medications are available to you. L.A. Care covers all medically necessary drugs on the Formulary if your doctor or other prescriber says you need them to get better or stay healthy, *and* you fill the prescription at a L.A. Care network pharmacy. Drugs that are not on the Formulary require that your doctor or other prescriber get approval before you fill the prescription. Please refer to the section *Non-Formulary Drugs*. The Formulary is reviewed and approved by a committee of physicians and pharmacists on a quarterly basis and includes generic, brand name, and specialty drugs covered under the prescription drug benefit. You can view the Formulary on L.A. Care's website, **lacare.org**, and

- Click on **For Members**
- Click on **L.A. Care Covered™** in the **Member Materials** section

You can also call L.A. Care Member Services at **1.855.270.2327** (TTY 711) to ask for a copy of the formulary. You may also request a copy of the formulary in your preferred language or format such as large print or audio.

Pharmacy Co-Payments

L.A. Care covers generic, brand name, and specialty drugs. You are responsible for a co-payment for each drug filled at the pharmacy. The amount of your co-payment depends on the drug category and/or Tier indicated on the formulary (example: Tier 1, 2, 3, 4) and your benefit plan (example: Gold, Silver or Bronze). Please refer to the "*Summary of Benefits*" for pharmacy co-payments, deductibles, integrated deductibles and/or out-of-pocket limits that may apply.

The L.A. Care Formulary includes:

- Approved prescription drugs
- Diabetic supplies: Insulin, insulin syringes, glucose test strips, lancets
- EpiPens and Anakits
- Inhaler spacers and extender devices,
- Emergency Contraceptive Drugs: You may get emergency contraceptive drugs from your doctor or pharmacy with a prescription from your doctor at no cost to you. You may also get emergency contraceptive drugs from a certified pharmacist without a prescription.

For information on pharmacies offering emergency contraceptive drugs from certified pharmacists without a prescription, please call L.A. Care Member Services at **1.855.270.2327** (TTY 711).

- Emergency contraceptive drugs are covered also when you receive emergency care services. You may receive emergency care services from doctors, hospitals, pharmacies or other health care professionals whether or not they are contracted with L.A. Care..
- The State of California passed the Pharmacy Law AB 1048, Arambula. Health care: pain management and Schedule II drug prescriptions. Beginning July 1, 2018, the law would authorize a pharmacist to dispense a Schedule II controlled substance as a partial fill if requested by the patient or the prescriber. The law would require the pharmacy to retain the original prescription, with a notation of how much of the prescription has been filled, the date and amount of each partial fill, and the initials of the pharmacist

dispensing each partial fill, until the prescription has been fully dispensed. The bill would authorize a pharmacist to charge a professional dispensing fee to cover the actual supply and labor costs associated with dispensing each partial fill associated with the original prescription.

When filling a prescription you may obtain a partial fill. You may only be charged one full co-payment for the completed prescription. If you have been charged twice (once for the partial fill and again for the complete fill) contact L.A. Care Member Services at **1.855.270.2327** (TTY 711) to receive information regarding obtaining reimbursement for the excess co-payment.

- You may be required to provide copies of pharmacy receipts showing payment of multiple co-payments for the prescription.

Non-formulary drugs

Sometimes, doctors may prescribe a drug that is not on the Formulary. This will require that the doctor get authorization from L.A. Care before you fill the prescription. To decide if the non-formulary drug will be covered, L.A. Care may ask the doctor and/or pharmacist for more information. L.A. Care will reply to the doctor and/or pharmacist within 24 hours for urgent requests or 72 hours for standard requests after getting the requested medical information. Urgent circumstances exist when a health condition may seriously jeopardize life, health, or the ability to regain maximum function or when undergoing a current course of treatment using a non-formulary drug.

The doctor or pharmacist will let you know if the drug is approved. After approval, you can get the drug at a Plan Pharmacy, please refer to the section *How to Find a Pharmacy* section on page 16.

If the non-formulary drug is denied, you have the right to appeal. Please refer to the section *Grievance and Appeals* for more information.

Restrictions or Special Rules

Some drugs have coverage rules or have limits on the amount you can get. In some cases your doctor or other prescriber must do something before you can fill the prescription. For example:

Prior approval (or prior authorization): For some drugs, your doctor or other prescriber must get approval from L.A. Care before you fill your prescription. If you do not get approval, L.A. Care may not cover the drug.

Quantity limits: For your safety, L.A. Care may limit the amount of some drugs you can get per prescription, or limit

the number of times you can refill some drugs. If your doctor or other prescriber thinks that the limited amount is not enough for your medical condition, then an exception to the quantity limits rule can be requested.

Step Therapy: Some drugs have a special rule called step therapy. This means that you must first try another drug on the formulary before the prescribed drug is covered. If your doctor or other prescriber thinks that the first drug does not work for you, then an exception to the step therapy rule can be requested.

Exceptions to Coverage: Requests to make an exception to a quantity limits or step therapy rule or for coverage of a non-formulary drug, can be submitted by your doctor or other prescriber in the form of a prior authorization. A decision for approval or denial of the exception request can be made within 24 hours if the request is urgent or within 72 hours if the request is not urgent. If you are not satisfied with the exception-to-coverage decision, you have the right to appeal the decision with L.A. Care Health Plan or file a grievance with 3 different reviewers: 1) L.A. Care Health Plan, 2) an external reviewer and 3) an independent medical reviewer at the Department of Managed Care. Please refer to the “Grievance and Appeals” section for more information.

Emergency and Urgent Care Services

Urgent Care Services

There is a difference between needing care urgently and an emergency. Urgent care is when a condition, illness or injury is not life-threatening, but needs medical care right away. Many of L.A. Care’s doctors have urgent care hours in the evening and on weekends.

How to get urgent care

1. Call your PCP doctor. You may speak to an operator who answers calls for your PCP doctor’s office when closed (like after normal business hours, on the weekends or holidays).
2. Ask to speak to your PCP doctor or the doctor on call. A doctor will call you back. If your PCP doctor is not available, another doctor may answer your call. A doctor is available by phone 24 hours a day, 7 days a week, and also on the weekends and holidays.
3. Tell them about your condition and follow their instructions.

If you are outside of Los Angeles County, you do not need to call your PCP doctor or get prior authorization before getting urgent care services. Be sure to let your PCP doctor

know about this care. You may need follow-up care from your PCP doctor.

Emergency services

Emergency services are covered 24-hours a day, 7 days a week, anywhere. Emergency care is a service that a member reasonably believes is necessary to stop or relieve:

- A serious illness or symptom,
- An injury, severe pain, or active labor,
- A condition that needs immediate diagnosis and treatment

Emergency services and care include ambulance, medical screening, exam and evaluation by a doctor or appropriate personnel. Emergency services include both physical and psychiatric emergency conditions, and active labor.

Examples of emergencies include but are not limited to:

- Having trouble breathing
- Seizures (convulsions)
- Lots of bleeding
- Unconsciousness/blackouts (will not wake up)
- In a lot of pain (including chest pain)
- Swallowing of poison or medicine overdose
- Broken bones
- Head injury
- Eye injury
- Thoughts or actions about hurting yourself or someone else

If you think you have a health emergency, call 911. You are not required to call your doctor before you go to the emergency room. Do not use the emergency room for routine health care.

What to do in an emergency:

Call 911 or go to the nearest emergency room if you have an emergency. Emergency care is covered at all times and in all places.

What to do if you are not sure if you have an emergency:

If you are not sure whether you have an emergency or require urgent care, please contact L.A. Care's Nurse Advice Line at **1.800.249.3619** to access triage or screening services, 24 hours per day, 7 days per week.

Post Stabilization and Follow-up Care After an Emergency

Once your emergency medical condition has been treated at a hospital and an emergency no longer exists because your condition is stabilized, the doctor who is treating you may want you to stay in the hospital for a while longer before you can safely leave the hospital. The services you receive after an emergency condition is stabilized are called "post-stabilization services."

If the hospital where you received emergency services is not part of L.A. Care's contracted network ("non-contracted hospital"), the non-contracted hospital will contact L.A. Care to get approval for you to stay in the non-contracted hospital.

If L.A. Care approves your continued stay in the non-contracted hospital, you will only be responsible for the Member's cost-sharing portion of the hospital stay, subject to the applicable Deductible. Please note, however, that if any cost sharing is based on a percentage of billed charges, the cost is generally higher at non-contracted hospitals. If L.A. Care has notified the non-contracting hospital that you can safely be moved to one of L.A. Care's contracted hospitals, L.A. Care will arrange and pay for you to be moved from the non-contracted hospital to a contracted hospital.

If L.A. Care determines that you can be safely transferred to a contracted hospital, and you, your spouse or legal guardian do not agree to you being transferred, the non-contracted hospital must give you, your spouse or legal guardian a written notice stating that you will have to pay for all of the cost for post-stabilization services provided to you at the non-contracted hospital after your emergency condition is stabilized.

Also, you may have to pay for services if the non-contracted hospital cannot find out what your name is and cannot get L.A. Care's contact information to ask for approval to provide services once you are stable.

If you feel that you were improperly billed for post-stabilization services that you received from a non-contracted hospital, please contact the L.A. Care Member Services at 1.855.270.2327 (TTY 711).

Non-Qualified Services

Non-qualified services are any non-emergency services received in the emergency room. L.A. Care will review all emergency room services provided to Members based on the prudent lay person's definition of emergency services. The Member must pay for the cost of any non-qualified services. (Please refer to the "Emergency Services" section for more information.)

Care Covered™ or L.A. Care Covered Direct™ coverage became effective. Contact L.A. Care Member Services at **1.855.270.2327** (TTY 711) to receive information regarding eligibility criteria and assistance with requesting continuity of care from a non-contracting provider.

You may file an IMR if you meet the following requirements:

- Your doctor says you need a health care service because it is medically necessary and it is denied; or

The dispute will be submitted to a DMHC medical specialist if it is eligible for an IMR. The specialist will make an independent decision on whether or not the care is medically necessary. You will receive a copy of the IMR decision from DMHC. If it is decided that the service is medically necessary, L.A. Care will provide the health care service.

Non-urgent cases

For non-urgent cases, the IMR decision must be made within 30 days. The 30-day period starts when your application and all documents are received by DMHC.

For urgent cases, the IMR decision must be made within three calendar days from the time your information is received.

Examples of urgent cases include:

- Severe pain
- Potential loss of life, limb or major bodily function

Review by the Department of Managed Health Care

The California Department of Managed Health Care (DMHC) is responsible for regulating health care service plans. If you have a grievance against L.A. Care, you should first telephone L.A. Care at **1.855.270.2327 (TTY 711)** and use L.A. Care's grievance process before contacting the DMHC. Using this grievance procedure does not prohibit any legal rights or remedies that may be available to you. Care, or a grievance that has remained unresolved for more than 30 days, you may call the DMHC for assistance. You may also be eligible for an IMR. The Department of Managed Health Care has a toll-free telephone, **1.888.HMO.2219**, to receive complaints regarding health plans. The hearing and speech impaired may use the department's TTY line **1.877.688.9891** to contact DMHC. DMHC's

L.A. Care will help you with interpreting services if you speak a language other than English. You may use the toll-free TTY numbers listed under "*How to File a Grievance*" if you are a deaf or hard of hearing Member. With your written consent, your doctor may also file an appeal on your behalf.

Application Process

To apply for L.A. Care Covered™, individuals may contact L.A. Care, Covered California™, or one of the many Certified Assister Entities in Los Angeles County (a full list is posted on Covered California's website at www.coveredca.com). Individuals may also complete an electronic application at www.coveredca.com without assistance.

Starting Date of Coverage

Only Covered California™ can approve applications and the effective date of coverage. The initial premium payment may be submitted upon successful completion of application or you may choose to wait to receive a bill from L.A. Care Health Plan. Once the application has been approved and full payment has been received for the first month, L.A. Care will send you a New Member Welcome Packet and an L.A. Care Member ID Card that includes the effective date of coverage. Premium payments after the initial month must be made payable to L.A. Care Covered™ to the address listed on the monthly invoice.

Adding Dependents to Your Coverage

If you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may enroll your dependents, provided that you request enrollment within sixty (60) days after the marriage, birth, adoption or placement for adoption. All dependents must meet eligibility criteria, as determined by Covered California™, and must be approved by Covered California™ before coverage can be started by L.A. Care. Please contact our Member Services Department at **1.855.270.2327** (TTY 711) or Covered California™ at **1.800.300.1506** (TTY **1.888.889.4500**) if you need additional information.

Payment Responsibilities

What are Premiums (Prepayment Fees)?

Premiums are monthly fees an Enrollee pays to cover the basic costs of the health care package for himself or herself and any Enrolled Dependent(s). An Enrollee must pay the health plan premiums directly to L.A. Care when due.

Monthly Premiums

Your monthly premium is based on three major factors: 1) the benefit plan you selected (Silver, Gold, etc); 2) your age and where you reside; 3) the amount of your tax credit (the amount depends on your income level). Please refer to your eligibility approval from Covered California™ or your L.A. Care premium bill to see the amount that you must pay each month. Please note that the CMS requires \$1 of your total premium amount to be a separate payment for non-Hyde abortion services. Non-Hyde abortion services include abortions that are not the result of rape, incest or threat to the life of the mother.

Once you are enrolled in L.A. Care *Covered*™, you will receive a monthly premium bill in the mail. If you prefer, you can receive your bill notification through e-mail, you must first create an online payment account and select the paperless billing option. Please visit lacare.org to learn more about how to make your premium payments. Your payment will be due to L.A. Care on or before the twenty-sixth (26th) of each month to commence coverage as of the first (1st) day of the following month. You have 60 days from your effective date to submit your first payment. If your first premium payment is not received by this time, your payment will be considered past due and you will be sent a cancellation notice.

L.A. Care offers a variety of options and methods by which you may pay your monthly premium. Please call our Member Services Department at **1.855.270.2327** (TTY **711**) to discuss these options or visit our website at lacare.org.

Payments can also be made via U.S. mail by cashier's check, money order, or a personal check to the address below. Make your premium payments payable to: **L.A. Care Health Plan**.

L.A. Care Health Plan
P.O. Box 2168
Omaha, NE 68103

L.A. Care will not increase your premium during the calendar year 2016 unless authorized by Covered California™ due to a reported demographic change which may affect your eligibility and premium amount.

Important: If your address changes, please reach out to Covered California™ at **1.888.975.1142** (TTY **1.888.889.4500**). If you would prefer to receive your premium invoice notification via e-mail, please notify L.A. Care immediately by calling our Member Services Department at **1.855.270.2327** (TTY **711**) and Covered California™ at **1.888.975.1142** (TTY **1.888.889.4500**).

What are Co-payments (Other Charges)?

Aside from the monthly premium, you may be responsible for paying a charge when you receive a covered service. This charge is called a co-payment and is outlined in the Summary of Benefits. If you review your Summary of Benefits, you'll see that the amount of the co-payment depends on the service you receive. An Enrollee must always be prepared to pay the co-payment during a visit to the Enrollee's PCP, Specialist, or any other provider.

Note: Co-payments are not required for preventive care services, prenatal care or for pre-conception visits. Preventive care includes, but is not limited to:

- Immunizations
- Well-child visits
- Please see the Exclusions and Limitations section in this Member Handbook for more information regarding what services are covered at no charge or call our Member Services Department at **1.855.270.2327** (TTY **711**).

Cost Sharing

General rules, examples, and exceptions

The cost sharing is the amount you are required to pay for a covered service, for example: the deductible, co-payment, or coinsurance. Your cost sharing for covered services will be the cost sharing in effect on the date you receive the services, except as follows:

- If you are receiving covered inpatient hospital or Skilled Nursing Facility Services on the effective date of this *Subscriber Agreement & Member Handbook*, you pay the cost sharing in effect on your admission date until you are discharged if the services were covered under your prior Health Plan coverage and there has been no break in coverage. However, if the services were not covered under your prior Health Plan coverage, or if there has been a break in coverage, you pay the cost sharing in effect on the date you receive the services.
- For items ordered in advance, you pay the cost sharing in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the cost sharing when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription group.

Receiving a bill

In most cases, we will ask you to make a payment toward your cost sharing at the time you check in. Keep in mind that this payment may cover only a portion of the total cost sharing for the covered services you receive. The provider of service will bill you for any additional cost sharing amounts that are due. The following are examples of when you may get a bill:

- You receive services during your visit that were not scheduled when you made your payment at check-in. For example, if you are scheduled to receive treatment for an existing condition, at check-in we will ask you to pay the cost sharing that applies to these services. If during your visit your provider finds another problem with your health, your provider may perform or order additional unscheduled services, such as lab tests or other diagnostic tests. You may have to pay separate cost sharing amounts for each of these additional unscheduled services, in addition to the cost sharing amount you paid at check-in for the treatment of your existing condition.
- You receive services from a second provider during your visit that were not scheduled when you made your payment at check-in. For example, if you are scheduled to receive a diagnostic exam, at check-in we will ask you to pay the cost sharing that applies to these services. If during your diagnostic exam your provider confirms a problem with your health, your provider may request the assistance of another provider to perform additional

unscheduled services (such as an outpatient procedure). You may have to pay separate cost sharing amounts for the unscheduled services of the second provider, in addition to the cost sharing amount you paid at check-in for your diagnostic exam.

- You go in for Preventive Care Services and receive non-preventive services during your visit that were not scheduled when you made your payment at check-in. For example, if you go in for a routine physical maintenance exam, at check-in we will ask you to pay the cost sharing that applies to these services (the cost sharing may be “no charge”). If during your routine physical maintenance exam your provider finds a problem with your health, your provider may order non-preventive services to diagnose your problem (such as laboratory tests). You may have to pay separate cost sharing amounts for the non-preventive services performed to diagnose your problem, in addition to the cost sharing amount you paid at check-in for your routine physical maintenance exam.
- If you receive covered services from a health facility within L.A. Care’s provider network, but the covered services are provided by an individual health professional outside of our network:
- Your cost shares for covered services that you receive outside L.A. Care’s provider network will not exceed the cost sharing that you would pay for the same covered services received within L.A. Care’s provider network.

The Annual Deductible

The annual deductible is the amount that you must pay during the calendar year for certain covered services before L.A. Care will cover those services at the applicable co-payment or co-insurance in that calendar year. The deductible is based on L.A. Care’s contracted rates with its participating providers and applies to certain service categories as defined in the “*Summary of Benefits*”. A Member who has Enrolled Dependent(s) must satisfy the lower individual deductible amount, but the deductibles paid by each of the Enrolled Dependent(s) are added together to satisfy the family deductible for all Members in the family. For example, if the deductible for one individual is \$2,000 and the deductible for a family of two or more is \$4,000, and if you had spent \$2,000 for services subject to the deductible, then you will not have to pay any cost sharing during the rest of the calendar year. However, your Enrolled Dependents will have to continue paying the cost sharing during the calendar year until your family reaches the \$4,000 family deductible.

Annual Out-of-Pocket Maximum

The annual out-of-pocket maximum (also called the “out-of-pocket limit”) is the highest amount you or your family (if you have Enrolled Dependent(s) receiving health coverage) are/is required to pay during one benefit year. The benefit year for L.A. Care Covered™ Members starts January 1st and ends December 31st. Please refer to the Summary of Benefits for your “Out-of-Pocket limit on expenses.”

Payments that count toward the maximum

Any cost sharing payments you make for in-network services accumulate toward the maximum out-of-pocket expense. Any amounts you pay for covered services that are subject to the deductible, also apply towards the annual out-of-pocket maximum.

Keeping track of the maximum

Step 1: We will keep track of your out-of-pocket payments, as reported to us by your providers of health care. However, because there are delays in reporting visits and payments, please request and save all receipts for payments you make to your health care providers for covered services.

Step 2: If you believe you have already met your annual out-of-pocket maximum for the current calendar year, please make a copy of your receipts, save the copy for your records, and send the originals to:

L.A. Care Health Plan

Care Member Services at **1.855.270.2327** (TTY 711).

- The Enrollee moves out of Los Angeles County
- The Enrollee requests disenrollment from Covered California™. The request must be made to either Covered California or L.A. Care. If the Enrollee wishes coverage to end before the contract term, the Enrollee must provide at least fourteen days’ notice.

- The death of the Enrollee

Request to Terminate Upon Written Notice

L.A. Care may request that Covered California™ terminate Enrollee’s coverage upon written notice for the following reasons:

- Fraud or deception in obtaining, or attempting to obtain, benefits under this Plan; and
- Knowingly permitting fraud or deception by another person in connection with this Plan, such as, without limitation, permitting someone else to seek benefits under this Plan, or improperly seeking payment from L.A. Care for benefits provided.

Cancellation of coverage under this Section will terminate effective upon mailing the notice of termination to the Enrollee.

Under no circumstances will an Enrollee be terminated due to health status or the need for health care services. Any Enrollee who believes his or her enrollment has been terminated due to the Enrollee’s health status or requirements for health care services may request a review of the termination by the California Department of Managed Health Care. For more information contact our Member Services Department at **1.855.270.2327** (TTY 711).

Termination due to withdrawal of this Benefit Plan:

L.A. Care may terminate this Benefit Plan. In such instances

you will be given ninety (90) days written notice and the opportunity to enroll in any other individual and family benefit plan without regard to health status-related factors.

Written Notice of Termination

When a written notice of termination or non-renewal is sent to the Enrollee pursuant to this section, it shall be dated, sent to the last-known address of the Enrollee and state:

- a. The cause of termination or non-renewal with specific reference to the section of this *Subscriber Agreement & Member Handbook* giving rise to the right of termination or non-renewal;
- b. That the cause for termination or non-renewal was not the Enrollee's health status or requirements for health care services;
- c. The effective date and time of termination or non-renewal; and
- d. That notwithstanding the Member Appeals (Grievance) procedure set forth in this *Subscriber Agreement & Member Handbook*, if Enrollee believes that his or her Health Plan membership has been terminated because of his or her health status or requirements for healthcare services, Enrollee may request a review before the Director of the Department of Managed Health Care for the State of California.

NOTE: *If an Enrollee is terminated by L.A. Care, notice to the Enrollee is sufficient if sent to Enrollees' last known address.*

Termination by L.A. Care for Nonpayment of Dues:

L.A. Care may terminate your coverage for failure to pay the required premium when due. If your coverage is being terminated because you failed to pay the required premium, then coverage will end thirty (30) days after the date for which the premium is due. We will send you written notice of the termination at least thirty (30) days before the termination date. You will be liable for all premiums accrued while coverage under this Benefit Plan continues in force including those accrued during this thirty (30) day grace period. The L.A. Care Covered™ Confirmation of Disenrollment will inform you of the following:

- a. That your coverage has been terminated, and the reasons for termination;
- b. The specific date and time when coverage for you and all your Enrolled Dependent(s) ended; and
- c. Your right to request review of the termination. The notice will also inform you that if you believe that your or your Dependent(s)' health plan enrollment has been

improperly terminated, you may request a review from the Director of the Department of Managed Health Care (DMHC). All contact information for the DMHC will be included in the letter.

Grace Period for Nonpayment of Premiums for Individuals Receiving Advance Tax Credits

If you and/or your Enrolled Dependent(s) are receiving advance premium tax credits to defray the cost of your monthly premium, but fail to pay the Member's portion of the monthly premium to L.A. Care by the due date, L.A. Care will send you a past due notice notifying you that your coverage will be terminated for non-payment of premium effective as of the last day of the first (1st) month of grace period ("Grace Period"). The notice will explain you have a three (3) month Grace Period to make your payments in full before termination. The three (3) month Grace Period is offered only to individuals who are receiving advance premium tax credits.

L.A. Care will provide covered services to you only during the first month of the Grace Period. During months two (2) and three (3) of the Grace Period your coverage will be suspended. This means that L.A. Care will not provide coverage for any services you received during months two (2) and three (3) of the Grace Period. You may be billed for and have to pay for any services you receive during months two (2) and three (3) if you do not pay all of your three (3) months of overdue premiums by the last day of the three (3) month Grace Period.

If you have not paid your full premiums by the last day of the third month, within five (5) business days of terminating your coverage, L.A. Care will mail you a L.A. Care Covered™ Confirmation of Disenrollment with the information listed in the section above (items a-c).

Reinstatement of Coverage. If you pay all of the overdue three (3) months of premiums by the last day of the three (3) month Grace Period, your coverage will be reinstated back to the first (1st) day of the first (1st) month of the Grace Period. If you do not reinstate your coverage on or before the end of the 3rd month of the Grace Period, you will be financially responsible for the cost of any services received during months two (2) and three (3) of the Grace Period.

If your coverage is terminated outside of the regular Covered California™ enrollment period and you do not qualify for special enrollment, you may lose your right to reinstate coverage.

Disenrollment and Cancellation

If you would like to be disenrolled from L.A. Care Covered™, please contact Covered California™ at **1.800.300.1506** (TTY **1.888.889.4500**) or log into your application at **www.coveredca.com**. If you voluntarily disenroll and have made advance premium payments, you may qualify for a reimbursement. L.A. Care Health Plan will automatically calculate any overpayments and refund you. You may also contact Member Services at **1.855.270.2327** (TTY **711**) to obtain a Request for Reimbursement Form.

Cancellation by L.A. Care for Nonpayment of Dues

If you apply for coverage successfully with L.A. Care Health Plan through Covered California™, you will be responsible for paying your first premium payment in order to become a Member and begin using your health benefits. If you do not send us your first premium payment by the due date, your coverage will be cancelled. You will receive a notice in the mail letting you know that your coverage has been cancelled due to non-payment of the first premium payment. If your coverage is cancelled during the open enrollment period, you will be able to apply again. If your coverage is cancelled after the open enrollment period closes, you will be able to apply for coverage if you experience a qualifying life event as described in this Subscriber Agreement & Member Handbook.

Emergency Care Services

L.A. Care covers emergency care services 24 hours a day, 7 days a week. Emergency room visits are covered and the co-pay, if applicable, is waived if you are admitted to the hospital. Emergency care services are medically necessary covered services, including ambulance and Mental Health services, which a member reasonably believes are necessary to stop or relieve:

- A serious illness or symptom,
- An injury, severe pain, or active labor,
- A condition that needs immediate diagnosis and treatment.

Emergency services include a medical screening, exam, and evaluation by a doctor or other appropriate personnel. Emergency services also include both physical and mental emergency conditions.

Examples of some emergencies include, but are not limited to:

- Breathing problems
- Seizures (convulsions)
- Extreme bleeding
- Unconsciousness/blackouts (will not wake up)
- Severe pain (including chest pain)
- Swallowing of poison or medicine overdose
- Broken bones

Non-emergency services given after the medical screening exam and the services needed to stabilize the condition, require that the provider get an authorization from L.A. Care.

Your PCP must provide the follow-up care for emergency services. You will be reimbursed for all charges paid by you for covered emergency services, including medical transportation services, provided by non-participating providers.

Emergency Services Out of the Service Area

If an emergency occurs while out of the service area, you may receive emergency services at the nearest emergency

facility (doctor, clinic or hospital). You must report such services to L.A. Care within 48 hours, or as soon as possible. Any treatment given that is not authorized by your PCP or L.A. Care, and which is later determined by L.A. Care not to be for emergency services, as defined in this *Subscriber Agreement & Member Handbook*, will not be covered.

Post Stabilization and Follow-up Care After an Emergency

Once your emergency medical condition has been treated at a hospital and an emergency no longer exists because your condition is stabilized, the doctor who is treating you may want you to stay in the hospital for a while longer before you can safely leave the hospital. The services you receive after an emergency condition is stabilized are called “post-stabilization services.”

If the hospital where you received emergency services is not part of L.A. Care’s contracted network (“non-contracted hospital”), the non-contracted hospital will contact L.A. Care to get approval for you to stay in the non-contracted hospital. If L.A. Care approves your continued stay in the non-contracted hospital, you will not have to pay for services.

If L.A. Care has notified the non-contracting hospital that you can safely be moved to one of L.A. Care’s contracted hospitals, L.A. Care will arrange and pay for you to be moved from the non-contracted hospital to a contracted hospital.

If L.A. Care determines that you can be safely transferred to a contracted hospital, and you, your spouse or legal guardian do not agree to you being transferred, the non-contracted hospital must give you, your spouse or legal guardian a written notice stating that you will have to pay for all of the cost for post-stabilization services provided to you at the non-contracted hospital after your emergency condition is stabilized.

Also, you may have to pay for services if the non-contracted hospital cannot find out what your name is and cannot get L.A. Care’s contact information to ask for approval to provide services once you are stable.

If you feel that you were improperly billed for post-stabilization services that you received from a non-contracted hospital, please contact the L.A. Care Member Services at **1.855.270.2327** (TTY 711).

Home Health Care

“Home health care” means services provided in the home by nurses, medical social workers, home health aides, and physical, occupational, and speech therapists. We cover home health care only if all of the following are true:

- A participating provider determines that it is feasible to maintain effective supervision and control of your care in your home and that the services can be safely and effectively provided in your home
- The services are provided inside our service area

Services are limited to those authorized by L.A. Care to 100 visits per year, 3 visits per day, up to 2 hours per visit (nurse, social worker, physical/ occupational/ speech therapist) or 3 hours for a home health aide. If a service can be provided in more than one location, L.A. Care will work with the provider to choose the location.

Note: If a visit by a nurse, medical social worker, or physical, occupational, or speech therapist lasts longer than 2 hours, then each additional increment of 2 hours counts as a separate visit. If a visit by a home health aide lasts longer than 3 hours, then each additional increment of 3 hours counts as a separate visit. Also, each person providing services counts toward these visit limits. For example, if a home health aide and a nurse are both at your home during the same 2 hours that counts as two visits.

Exclusions:

- Custodial care
- Care that an unlicensed family member or layperson could provide safely/effectively
- Care in the home if home does not have a safe and effective treatment setting

California Children’s Services (CCS)

Children needing specialized medical care may be eligible for the California Children’s Services (CCS) program.

CCS is a California medical program that treats children with certain physical conditions and who need specialized medical care. This program is available to all children in California whose families meet certain medical, financial and residential eligibility requirements. Services provided through the CCS program are coordinated by the local county CCS office.

If a member’s PCP suspects or identifies a possible CCS eligible condition, he/she may refer the member to the local county CCS program. The CCS program (local or the CCS Regional Office) will determine if the member’s condition is eligible for CCS services.

If determined to be eligible for CCS services, a L.A. Care Covered™ Member continues to stay enrolled in the QHP product. He or she will be referred and should

receive treatment for the CCS eligible condition through the specialized network of CCS providers and/or CCS approved specialty centers. These CCS providers and specialty centers are highly trained to treat CCS eligible conditions. L.A. Care will continue to provide primary care and prevention services that are not related to the CCS eligible conditions, as described in this document. L.A. Care will also work with the CCS program to coordinate care provided by both the CCS program and the plan. L.A. Care will continue to provide all other medical services not related to CCS diagnosis.

The CCS office must verify residential status for each child in the CCS program. If your child is referred to the CCS program, you will be asked to complete a short application to verify residential status, financial eligibility and ensure coordination of your child’s care after the referral has been made.

Additional information about the CCS program can be obtained by calling the Los Angeles County CCS program at **1.800.288.4584** for more information.

The Plan provides coverage for urgent dental services only if the services are required to alleviate severe pain or bleeding or if an Enrollee reasonably believes that the condition, if not diagnosed or treated, may lead to disability, dysfunction or death. Contact Your Primary Care Dentist for Your urgent needs during business hours or after hours. If You are out of the area, You may contact LIBERTY for referral to another contracted dentist that can treat Your urgent condition. For after-hours Urgent Care outside the Service Area, You may proceed to find a dentist who can assist You. You should notify LIBERTY as soon as possible after receipt of Urgent Care services preferably within 48 hours. If We determine that Your treatment was not due to a dental emergency, the services rendered by a Non-Participating Provider will not be covered.

E. EMERGENCY DENTAL CARE

All affiliated Primary Care Providers provide availability of Emergency Dental Services twenty-four (24) hours per day, seven (7) days per week. If Your Primary Care Dentist is not available, or if You are out of the area and cannot contact LIBERTY to redirect You to another contracted Dental Office, contact any licensed dentist to receive emergency care. LIBERTY will reimburse You for covered dental expenses up to a maximum of seventy-five dollars (\$75), less applicable Co-payments. You should notify LIBERTY as soon as possible after receipt of Emergency Dental Services, preferably within 48 hours. Any denial, delay or modification of services will be provided in writing and contain a clear and concise description of the utilization review criteria, guideline, clinical reason or contractual section of the coverage documentation used to make such a determination. Such determinations will include the name and telephone number of the health care professional responsible for the determination and information on how You can file an Appeal.

Urgent requests: If You or Your Primary Care Dentist encounter an urgent condition in which there is an imminent and serious threat to Your health including but not limited to, the potential loss of life, limb, or other major body function, or the normal timeframe for the decision making process as described above would be detrimental to Your life or health, the response to the request for referral should not exceed seventy-two (72) hours from the time of receipt of such information, based on the nature of the urgent or emergent condition.

The decision to approve, modify or deny will be communicated to the Primary Care Dentist within twenty-four (24) hours of the decision. If Premiums are not paid according to the Covered California agreement, terms and conditions, and You are a Covered California Member that receives an Advanced Premium Tax Credit (APTC) that pays for part of Your dental Premium, You will be provided with a three month grace period that begins on the first day of the month following the last day of the month for which Premiums were last received.

You may reinstate Your coverage by paying the entire outstanding amount of Premium due by the last day of the third month of the grace period. Your coverage will be suspended during the second and third months of the three-month grace period and Providers will not be obligated to provide Covered Services to You while Your coverage is suspended. You may receive services during the second and third month of the grace period but You will be financially responsible for the cost of those services unless Your coverage is reinstated on or before the end of the third month of the grace period. If You fail to pay the entire outstanding amount of Premium due, Your coverage will be terminated as of the first day of the second month of Your grace period.

i. Completion of Treatment In Progress After Termination

If You terminate from the Plan while the contract between You and LIBERTY Dental Plan is in effect, Your Primary Care Dentist or Specialist must complete any procedure in progress that was started before Your termination, abiding by the terms and conditions of the Plan.

If You terminate coverage from the Plan after the start of orthodontic treatment, You will be responsible for any Charges on any remaining orthodontic treatment.

ii. Termination Due to Fraud

Existing in-force coverage may be terminated by LIBERTY if LIBERTY can demonstrate that a Subscriber has performed and act of practice constituting fraud or made an intentional misrepresentation of material fact. Fraudulent practices or acts include, but are not limited to, permitting any other person to use their Member ID card to obtain services under this dental plan, or otherwise engages in fraud or deception in the provision of incomplete or incorrect “material” information to LIBERTY or to the Provider that would affect enrollment information, for use of the services or facilities of the plan or knowingly permits such fraud or deception by another. In such cases, Subscriber will receive a letter via certified mail at least 30 days prior to the effective date of the termination explaining the reason for the intended termination, and the notice of appeal rights. A Subscriber who alleges that an enrollment has been or will be improperly canceled, rescinded, or not renewed may request a review by the Director of the DMHC. Upon notice of completion of the appeal process, termination will be effective immediately upon such notice from LIBERTY Dental Plan.

iii. Termination Due to Health Status

LIBERTY does not terminate based on any health status. If You believe that Your coverage has been terminated based on Your health status or requirements for health care services, You may request a review to be performed by the Director of the Department of Managed Health Care. If the Director determines that a proper complaint exists under the provisions of this section, the Director shall notify the plan. Within 15 days after receipt of such notice, the plan shall either request a hearing or reinstate the Enrollee or Subscriber. A reinstatement shall be retroactive to time of cancellation or failure to renew and the plan shall be liable for the expenses incurred by the Subscriber or Enrollee for covered health care services from the date of cancellation or non-renewal to and including the date of reinstatement. You can contact the Department of Managed Health Care at (1-888-HMO-2219) or on a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department’s Internet web site is <http://www.hmohelp.ca.gov>.

B. EFFECTIVE DATE OF TERMINATION

Coverage may be terminated, cancelled or non-renewed following 30 days since the date of notification of termination, except for fraud and intentional misrepresentation of material fact, which is effective immediately upon notification.

C. DISENROLLMENT

You may disenroll at any time from the plan with reasonable notice of at least fourteen (14) days by contacting Covered California or Your Qualified Health Plan by phone or in writing. Disenrollment is effective on the date specified or fourteen (14) days after termination is requested, if reasonable notice is not provided.

D. RESCISSION

Rescission means that LIBERTY may cancel Your coverage as if no coverage ever existed. Rescission may be elected by LIBERTY only in the event of fraud or intentional misrepresentation of material fact such as, but not limited to, if You intentionally submitted incomplete or incorrect material information in Your enrollment application. You have the right to appeal any decision to rescind Your membership. Appeal procedures will be provided to You in the notice of rescission. A Subscriber who alleges that an enrollment has been or will be improperly canceled, rescinded, or not renewed may request a review by the Director of the DMHC. Upon notice of completion of the

appeal process, termination will be effective immediately upon such notice from LIBERTY Dental Plan. Except as provided by law, LIBERTY may not rescind Your coverage after 24 months from the issuance of the coverage contract.

XI. RENEWAL AND REINSTATEMENT OF COVERAGE

Please refer to Your [HEALTH PLAN] EOC for information regarding Renewal and Reinstatement of Coverage.

XII. GRIEVANCE PROCEDURES

If You are dissatisfied with Your selected Primary Care Dentist, personnel, facilities, specialty referral, Pre-Authorization, claim, or the dental care You receive, You have the right to complain to the dental plan. A Complaint is the same as a Grievance. Grievance Forms may be requested by contacting LIBERTY Dental Plan's Member Services Department at [PHONE NUMBER]. Grievance Forms are also available on our website, www.libertydentalplan.com, or by calling LIBERTY Member Services or by asking Your Primary Care Dentist. Grievance forms are not necessary. LIBERTY will investigate a grievance submitted in any format. Your complaint or grievances may be:

- Sent in writing to: [LIBERTY Dental Plan, P.O. Box 26110, Santa Ana, CA, 92799-6110], or
- Sent by facsimile to: [LIBERTY Dental Plan's Quality Management Department facsimile at (949) 270-0109], or
- Submitted verbally to: [LIBERTY Dental Plan's Member Services Department at (PHONE NUMBER)], or
- Submitted using our website online Grievance filing process by visiting www.libertydentalplan.com.

You may use a "patient advocate" to help you file a Grievance. For Grievances involving minors or incapacitated or incompetent individuals, the parent, guardian, conservator, relative or other designee of the Member, as appropriate may submit the Grievance to LIBERTY, or to the DMHC for urgent matters (see "Urgent Grievances" below).

If You have limited English proficiency, visual or other communication impairment, LIBERTY will assist You in filing a Grievance. Assistance may include translation of Grievance procedures, forms and LIBERTY's responses, and may also include access to interpreters, telephone relay systems to aid disabled individuals to communicate.

You will not be discriminated against in any way by LIBERTY or Your primary care dentist for filing a Grievance.

You may file a Grievance for at least 180 calendar days following any incident or action that is the subject of Your dissatisfaction.

LIBERTY Dental Plan's representatives will review the problem with you and take appropriate steps for a quick resolution. You will receive acknowledgement of your Grievance within five (5) calendar days of receipt. Grievances will be resolved within 30 days.

Grievances Exempt from Written Acknowledgement and Response: In some cases, Grievances that are received by telephone, facsimile, e-mail or through a website that are not coverage disputes, or are not involving Medical Necessity and are resolved by the next business day do not require a written acknowledgement or response. In these cases, you will be contacted by the same method by which You submitted the Grievance or otherwise discussed with You at the time You reported Your complaint.

The following information is required by the State of California pertaining to Your dental plan.

A. STATE OF CALIFORNIA DEPARTMENT OF MANAGED HEALTH CARE (DMHC) COMPLAINT PROCEDURE

The DMHC has established a toll-free number that You can utilize should you have a complaint against a health care service plan, or requests for review of cancellations, rescissions and non-renewals under Health and Safety Code section 1365(b) and related guidance and rules. This number is **888-HMO-2219**. As a Member You may file a complaint against LIBERTY Dental Plan; however, You may only do so after contacting Your plan directly to utilize its complaint resolution process.

A Member may immediately file a complaint with the California DMHC in the event of a dental emergency situation. In addition a Member may also file a complaint in the event that the plan does not satisfactorily resolve the complaint (grievance) within thirty (30) days of filing with Your health care service plan.

California Required Statement: The California Department of Managed Health Care (DMHC) is responsible for regulating health care service plans. If You have a grievance against Your Health Plan, You should first telephone your Health Plan at [HP TOLL-FREE NUMBER] and use Your Health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to You. If You need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by Your Health Plan, or a grievance that remained unresolved for more than 30 days, You may call the DMHC for assistance. You may also be eligible for Independent Medical Review (IMR). If You are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a Health Plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (**1-888-HMO-2219**) and a **TDD line (1-877-688-**

9891) for the hearing and speech impaired. The Department's Internet web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

Grievance Resolutions and Responses: For Grievances related to requested services that were denied, delayed or modified based in whole or in part on a finding that the proposed health care service is not a covered benefit, the response will indicate the exact document, page and provision applicable to the Grievance response.

For Grievances related to requested health care services that were denied, delayed or modified in whole or in part based on a determination that the service is not medically necessary, the response will indicate the criteria, clinical guideline or policy used in reaching the determination.

Urgent Grievances: For cases involving an imminent and serious threat to Your health including, but not limited to, severe pain, potential loss of life, limb, or major bodily function, LIBERTY will review and determine if Your case meets the expedite criteria for processing of this urgent condition. In the event Your case meets the expedited criteria, LIBERTY will resolve to the urgent condition within three (3) calendar days of receipt of the Grievance, or sooner, based on the condition. In the case of urgent Grievances, You are not required to await the determination by LIBERTY before accessing the DMHC as noted above.

If You are not satisfied with the resolution initially provided, You may contact the DMHC as noted above. You may also submit additional materials for reconsideration to LIBERTY Dental Plan's Quality Management Department. Your requests must be in writing with a detailed summary and should be directed to:

LIBERTY Dental Plan, Inc.
Quality Management Department
Attn: Grievance and Appeals
P.O. Box 26110
Santa Ana, CA 92799-6110

Any additional information will be processed as a new Grievance.

Your Right to File an Appeal:

If You are not satisfied with LIBERTY's determination, You have up to 180 days from the date listed on the notice of determination to file an appeal. An appeal allows You to submit additional information that is relevant to Your claim and ask that LIBERTY review it.

You may include documents, records, or other written information with Your appeal. You may also request, free of charge, copies of all documents, records and other information from LIBERTY that are relevant to Your claim. LIBERTY will review the information that You submit and will reconsider Your claim. As part of Your appeal, You may request from LIBERTY the name of any medical expert or other individual that LIBERTY sought advice from while reconsidering Your claim.

You may send Your written grievance to:

LIBERTY Dental Plan
Attn: Grievances and Appeals
Quality Management Department
P.O. Box 26110, Santa Ana, CA 92799-6110
Fax: 949-270-0109

Or You may contact LIBERTY's Member Services Department by telephone at [(877) 877-1893], or by fax at [(888) 334-6034], in order to initiate the appeal process.

If Your situation meets the definition of urgent under the law, LIBERTY's review of Your appeal will be conducted as expeditiously as possible. Generally, an urgent situation is one in which Your health may be in serious jeopardy or, in the opinion of Your physician, You may experience pain that cannot be adequately controlled while You wait

for a decision on the external review of Your claim. If You believe Your situation is urgent, You may request an expedited external review by contacting LIBERTY's Member Services Department by telephone at [(877) 877-1893].

You may submit Your grievance for arbitration, which will allow a neutral arbiter to review Your situation and determine whether LIBERTY is responsible for any further services or payments. You may contact LIBERTY's Member Services Department by telephone at [(877) 877-1893] in order to initiate the arbitration process. You also have the right to bring a civil action under section 502(a) of the Employee Retirement Income Security Act in response to an unsuccessful grievance.

B. MEDIATION

You may also request voluntary mediation with LIBERTY before exercising your right to submit a Grievance to the DMHC. The use of mediation does not preclude Your right to submit a Grievance to the DMHC upon completion of mediation. In order to initiate mediation, You or Your agent must voluntarily agree to the mediation process. Expenses for mediation will be borne equally by You and LIBERTY.

C. INDEPENDENT MEDICAL REVIEW (IMR)

In cases which result in the denial of the Pre-Authorization request for Covered Services by a LIBERTY Dental Plan Provider, and are considered the practice of medicine or are provided pursuant to a contract between LIBERTY and a health plan (that covers hospital, medical or surgical benefits) may be eligible for the DMHC Independent Medical Review (IMR) program. Subscribers may request a form for the independent medical review of their case by contacting LIBERTY Dental Plan at [HP TOLL-FREE NUMBER] or writing to: [LIBERTY Dental Plan, P.O. Box 26110, Santa Ana, CA, 92799-6110]. You may also request the forms from the Department of Managed Health Care. The Department of Managed Health Care may be reached at 1-888-HMO-2219 or by visiting their website at: <http://www.hmohelp.ca.gov>. Independent Medical Review is only available for certain medical services.

D. ARBITRATION

If You or one of Your eligible Dependents is not satisfied with the results of LIBERTY Dental Plan's complaint resolution process, and all the complaint resolution procedures have been exhausted, the matter can be submitted to arbitration for resolution. If You, or one of Your eligible Dependents, believe that some conduct arising from or relating to Your participation as a LIBERTY Dental Plan Member, including contract or medical liability, the matter shall be settled by arbitration. The arbitration will be conducted according to the American Arbitration Association rules and regulations in force at the time of the occurrence of the Grievance (dispute or controversy) and subject to Section 1295 of the California code of Civil Procedure.

XIII. MISCELLANEOUS PROVISIONS

A. COORDINATION OF BENEFITS

As a covered Member, You will always receive Your LIBERTY Benefits. LIBERTY does not consider Your Individual Plan secondary to any other coverage You might have. You are entitled to receive benefits as listed in this EOC document despite any other coverage You might have in addition. However, any Covered California coverage that You have that is embedded into a full service health plan will act as the primary payor when You have a supplemental pediatric dental benefit through a family benefit plan.

B. THIRD PARTY LIABILITY

If services otherwise covered by virtue of this Individual Plan are deemed to be necessary due to a work-related injury or which are the liability of another third party, You agree to cooperate in LIBERTY's processes to be reimbursed for these services.

C. OPPORTUNITY TO PARTICIPATE IN LIBERTY'S PUBLIC POLICY COMMITTEE

If You wish to participate in LIBERTY's Public Policy Committee, which reviews plan performance and assists in establishing LIBERTY's public policies, please contact Member Services Department at [PHONE NUMBER], or contact Quality Management Department at qm@libertydentalplan.com.

Services provided by a Specialist are reported to LIBERTY via the Specialist. If You receive services out-of-network due to an emergency after-hours or Out-of-Area situation, consult the section above for submitting Your expenses to LIBERTY to receive reimbursement (see Reimbursement for Emergency Dental Services section above).

F. ORGAN DONATION

LIBERTY is required by DMHC to inform You that organ donation options are available to You. LIBERTY does not reward or incentivize reviewers for issuing denials for coverage or care, nor provide incentives that would encourage barriers to care/services or decisions that result in underutilization.

LIBERTY's Utilization Management staff annually signs an attestation that review decisions were made based solely on appropriateness of care and services and existence of coverage.

XII. COMPLIANCE PLAN

A. COMPLIANCE PLAN OBJECTIVE:

LIBERTY Dental Plan is dedicated to ensuring that it complies with all applicable Federal and state laws, rules, regulations and procedures, including Health Insurance Marketplace requirements, in a timely and effective manner. All LIBERTY Dental Plan Board Members, officers, employees, contractors, providers and members are expected to meet these various legal requirements. For these reasons, LIBERTY Dental Plan has developed and instituted a Corporate Compliance Plan. The Plan is designed to ensure LIBERTY Dental Plan fulfills all statutory and contractual obligations in a fair, accurate and consistent manner.

The compliance plan not only addresses health care fraud, waste and abuse, but the requirements and obligations set forth by the Centers for Medicare and Medicaid (CMS), employment, whistleblower and insurance laws.

B. DEFINITIONS:

Fraud – includes, but is not limited to, “knowingly making or causing to be made any false or fraudulent claim for payment of a health care benefit.” Fraud also includes fraud or misrepresentation by a subscriber or enrollee with respect to coverage of individuals and fraud or deception in the use of the services or facilities of LIBERTY or knowingly permitting such fraud or deception by another.

Waste – means the thoughtless or careless expenditure, consumption, mismanagement, use, or squandering of resources. Waste also includes incurring unnecessary costs because of inefficient or ineffective practices, systems, or controls. Waste does not normally lead to an allegation of “fraud”, but it could.

Abuse – means the excessive, or improper use of something, or the use of something in a manner contrary to the natural or legal rules for its use; the intentional destruction, diversion, manipulation, misapplication, maltreatment, or misuse of resources; or extravagant or excessive use so to abuse one's position or authority. “Abuse” does not necessarily lead to an allegation of “fraud”, but it could.

C. POLICY:

It is the policy of LIBERTY to review and investigate all allegations of fraud, waste, and abuse, whether internal or external, to take corrective action for any supported allegation and to report confirmed misconduct to the appropriate parties both internal and external.

D. REPORTING POSSIBLE FRAUD

LIBERTY has established a specific fraud hotline number: [(888) 704-9833]. The Fraud Hotline provides the opportunity to report reasonable and good faith fraud suspicions or concerns in an anonymous/confidential manner. This hotline is monitored by a designated

Member of the LIBERTY Corporate Compliance Committee. All information reported on the anonymous hotline is then forwarded to LIBERTY Dental Plan's Quality Management team for full investigation.

- LIBERTY'S Corporate Compliance Hotline: [(888) 704-9833]
- LIBERTY'S Compliance Unit email: [compliance@libertydentalplan.com]
- LIBERTY'S Special Investigations Unit Hotline: [(888) 704-9833]
- LIBERTY'S Special Investigations Unit email: [SIU@libertydentalplan.com]

The Chairman of the Committee and the Chief Compliance Officer, in conjunction with Legal Counsel, determine whether LIBERTY shall take any additional action, which may include, without limitation:

- The provision of information, for purposes of education, to the participating Provider describing the incident involving suspected fraudulent activity;
- Seek restitution from the participating Provider for any amounts paid by LIBERTY in connection with the incident involving suspected fraudulent activity;
- Termination of the Provider agreement in effect between LIBERTY and the participating Provider; and/or
- Referral of the matter to an appropriate governmental agency, including, without limitation, the State Board of Dental Examiners and Centers for Medicare and Medicaid Services.
