*Rates are shown for measures with 30 or more eligible (Medi-Cal) members.

**Threshold and benchmark values are used to define peer group performance in the VIIP+P4P Program. These are interim numbers based on 2015 data. Please see the VIIP+P4P Program Description for additional information.

***Indicates measure is double-weighted in VIIP+P4P.

Important Note: Data in this report is known to be incomplete. Some services provided to members may be recent, and reported data may not yet have reached L.A. Care. In other cases, your organization, your providers, and/or your labs may not have reported results. We need your help! Please ensure timely, complete and accurate submission of all encounter and lab data. This data is the basis of performance scoring and is essential to success in VIIP+P4P.

This report is based on administrative data processed by L.A. Care as of March 10, 2017

Run date: Apr 14, 2017

Report developed by L.A. Care's HOA Dept.
