Dear L.A. Care Provider (Provider),

During the COVID-19 Public Health Emergency (PHE), Medi-Cal beneficiaries have been able to keep their coverage regardless of any change in circumstance (e.g., income eligibility) due to the continuous enrollment requirement that was put into effect to support access to care during the pandemic. On March 31, 2023 the continuous enrollment requirement will be decoupled from the PHE end date, which will set the stage for the resumption of Medi-Cal redeterminations to begin on April 1, 2023. Once routine Medi-Cal renewal operations resume, the county will check to see if beneficiaries still qualify for Medi-Cal and take action following verification of eligibility.

Many beneficiaries have had minimal or no contact with their county eligibility case worker due to the PHE continuous enrollment requirement. It is anticipated that a significant volume of eligible individuals could lose their coverage once redeterminations resume as a result of the County having outdated contact information or beneficiaries being unaware of the renewal process. Managed care plans have received regulatory guidance that presents a unique opportunity for collaboration between States, Counties, managed care plans, and providers to ensure continuous coverage for eligible individuals.

L.A. Care's **call to action** for our providers, as trusted partners to their patients, is to conduct outreach and bring awareness to the resumption of Medi-Cal renewals. The following are two key messages recommended by the California Department of Health Care Services to promote among Medi-Cal beneficiaries. Consistent messaging will help minimize confusion and align efforts across sectors.

1. Keep your contact information up to date with your local county Medi-Cal office by reporting changes to the Los Angeles County Department of Public Social Services at **1.866.613.3777** or visit **benefitscal.com**
2. If you receive important information about your Medi-Cal coverage from the County, complete and submit any requests for information by the due date

To support providers in their outreach and communication efforts, we are excited to share L.A. Care's Redetermination Provider Toolkit. We encourage you to share this information with your provider network, given their opportunity to interact with members often and in-person. To access the Redetermination Provider Toolkit, please visit **<https://www.lacare.org/providers/provider-resources/tools-toolkits/toolkits>**

Included in the Redetermination Provider Toolkit are the following:

 - b. **CHOIContractorListEngSp.pdf (lacounty.gov)**
5. The Department of Health Care Services Phase 1 and Phase 2 Communication Toolkits including outreach collateral materials with pre-approved GOL
 - a. The Phase 1 **PHE Communication Toolkit 1.0** includes a redetermination website banner, social media graphics, and more that Providers are encouraged to use in their outreach efforts.
 - b. The Phase 2 **Medi-Cal Continuous Coverage Unwinding Toolkit** is included within the Medi-Cal Continuous Coverage Resource page and includes flyers, fact sheets, social media graphics, sample messaging, and more that Providers are encouraged to use in their outreach efforts.
 - c. To sign-up as a DHCS Coverage ambassador, please visit **Planning For the End of the Continuous Coverage Requirement**.
6. The Department of Health Care Services Eligibility Sequencing Map
 - a. The eligibility sequencing map provides a detailed timeline of the renewal activities that will occur over a 14-month time period, in addition to highlighting the specific renewal activities that occur during each renewal period.
 - b. **Appendix A (1).pdf**

L.A. Care greatly appreciates the partnership with each of our providers. Together, we can help raise awareness on redetermination requirements to support continuity of coverage for eligible Medi-Cal beneficiaries. Should you have questions related to the information shared, please contact your assigned L.A. Care Account Manager.

Sincerely,

L.A. Care Health Plan

Provider FAQs: Medi-Cal Redetermination

Q: What is the Medi-Cal annual renewal redetermination process?

A: Every 12 months, DPSS will conduct a review of a Medi-Cal beneficiary's information to determine if they are still eligible to continue receiving Medi-Cal benefits.

Q: Are Medi-Cal beneficiaries required to fill out and return renewal packets when they receive them?

A: Yes. It is important that beneficiaries respond to county requests for updated information, including renewal packets. The beneficiary does not need to return the paper annual renewal form but they must provide the necessary information requested in the form and sign the form through any of the available means indicated.

Q: Is there help available for Medi-Cal beneficiaries who have received a renewal packet in the mail and need assistance completing it?

A: Yes. If a beneficiary needs assistance completing their renewal packet, there are agencies across Los Angeles County with bilingual staff who are able to provide Medi-Cal enrollment assistance. To view the list of available agencies, please reference the following link: **publichealth.lacounty.gov/mch/choi/CHOIContractorListEngSp.pdf**

If an individual needs help completing their Medi-Cal application or renewal packet, they can call a CRC listed above to schedule an appointment with an application assister.

Q: How does a Medi-Cal beneficiary know when their renewal month is?

A: The annual renewal month is the month in which the beneficiary's annual renewal is due. Typically, the annual renewal due month is the 11th month after their application month.

Members can find their renewal due date information online by logging in or creating an online account at **benefitscal.com** and linking their Medi-Cal case. The renewal due month will be listed in the member's account under 'Case Information'. Members can also call DPSS at **1.866.613.3777** Monday – Friday from 7:30 a.m. – 6:30 p.m. (excluding holidays) to request this information.

Q: Which beneficiaries will be renewed through the auto-renewal / ex parte process?

A: DPSS will attempt to verify the beneficiary's information through multiple sources available to the county. If DPSS locates the information needed to redetermine eligibility through the ex parte process, DPSS will complete the annual renewal and send the approval Notice of Action letter.

Q: Which beneficiaries are required to complete an annual renewal packet?

A: An annual renewal form will be sent to the beneficiary if DPSS is unable to redetermine continued Medi-Cal eligibility through the ex parte process. Beneficiaries who do not have a valid social security number will not be able to successfully complete the ex parte process and a packet will be sent to have the beneficiary complete their annual Medi-Cal renewal.

Q: Is there an easy way to identify the renewal packet in the mail?

A: Yes. The packet from DPSS will arrive in a yellow envelope.

Q: How long does a beneficiary have to complete their renewal packet before getting disenrolled from Medi-Cal?

A: The beneficiary is provided 60 days to provide the requested information to DPSS. If the requested information is not received by the 60-day due date, Medi-Cal benefits will discontinue at the end of the renewal due month.

Q: What happens after renewal packets are returned?

A: The Los Angeles Department of Public Social Services (DPSS) will send the beneficiary a letter to let them know if they still qualify for Medi-Cal coverage.

If additional information is needed to renew their coverage, DPSS will send the beneficiary a letter requesting any missing information.

Q: How can beneficiaries update their information and/or respond to county requests for information?

A: Requested information can be submitted by mail, in person, online, or phone. Beneficiaries can submit information online by logging in or creating an online account at **benefitscal.com**. To submit information by phone, beneficiaries can call DPSS at **1.866.613.3777** Monday – Friday from 7:30 a.m. – 6:30 p.m. (excluding holidays).

Q: How can Medi-Cal beneficiaries receive alerts on their Medi-Cal case?

A: Medi-Cal beneficiaries can receive alerts on their case by creating an online account at **benefitscal.com**

Q: Are there instructions on the Medi-Cal renewal process for beneficiaries to reference?

A: Yes. DPSS has released a video tutorial and written instructions on the Medi-Cal renewal process. These tools can be accessed on the L.A. Care website at **lacare.org/members/member-support/medi-cal-renewal-faqs**

Q: Can an individual enroll into Medi-Cal without a California ID?

A: Yes. DPSS will accept other forms of identification if a California ID is not available. Accepted documents include passports, bus passes or any other form of identification. As a last resort, DPSS will also accept an affidavit.

Q: If a patient is experiencing homelessness what mailing address can be provided to DPSS?

A: Individuals experiencing homelessness who are in need of a mailing address to receive/send communication to/from the county may utilize a county district office address closest to them. Please reference the office locations listed on the county website: **dpss.lacounty.gov/en/resources/offices.html**

Q: Will the Young Adult Expansion population that turned 26 during the continuous coverage period or will turn 26 during the unwinding lose their coverage prior to January 2024?

A: No, to maintain continuity of coverage for these individuals who would have aged out until the new law takes affect, counties have been instructed to deprioritize these renewals towards the end of the unwinding period.

Q: How is Medi-Cal renewed for beneficiaries who have Supplemental Security Income (SSI)?

A: Individuals who have Supplemental Security Income (SSI) get Medi-Cal through the Social Security Administration. If a member has questions, please advise them to call **1.800.772.1213**, Monday – Friday, 8 a.m. – 7 p.m. or they can visit their local Social Security Office.

Q: How can members who receive SSI report a change?

A: If a member receives SSI, they can report changes by calling **1.800.772.1213**, Monday – Friday, 8 a.m. – 7 p.m. or they can visit their local Social Security Office. **ssa.gov/locator**

Q: Where can members be directed if they no longer qualify for Medi-Cal coverage?

A: If a member no longer qualifies for Medi-Cal, they may be able to get health coverage through a Covered California plan

- For assistance with L.A. Care Covered, individuals can contact L.A. Care directly at **1.800.222.4239**

Q: Is there a fee for Medi-Cal beneficiaries to renew their Medi-Cal?

A: There is never a fee for beneficiaries to renew their Medi-Cal benefits. Beneficiaries are encouraged to not fall for scammers who threaten to discontinue their Medi-Cal coverage unless they pay a fee.

A Quick Guide to Sharing Videos

Sharing on your social media channels

We recommend sharing vertical videos on your social media channels.

- 1 Download the digital files using the link that was shared.
- 2 Select a video from the "9x16_Vertical" folder that you would like to share.
- 3 Upload the video to your channel.

Sharing via email

We recommend using a YouTube link when sharing the videos. A YouTube link is quick to load and won't slow down an email server.

Either vertical or horizontal versions of the videos are fine for email, as an equal number of people check email from a phone as they do from a desktop.

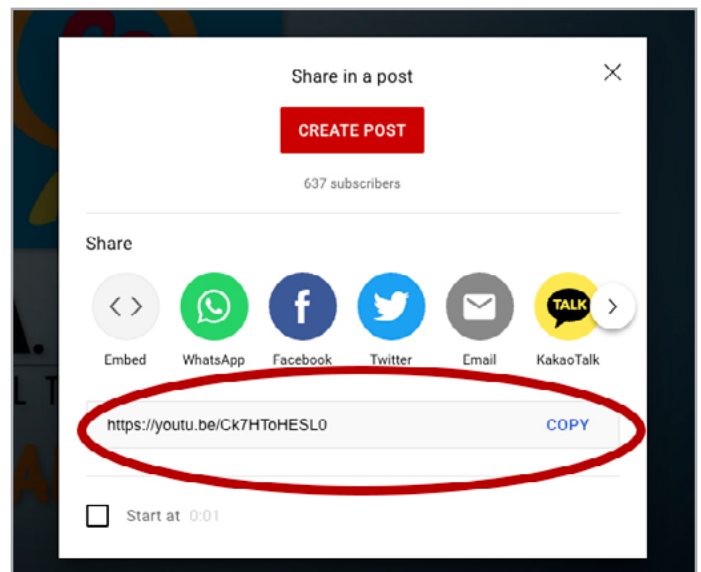

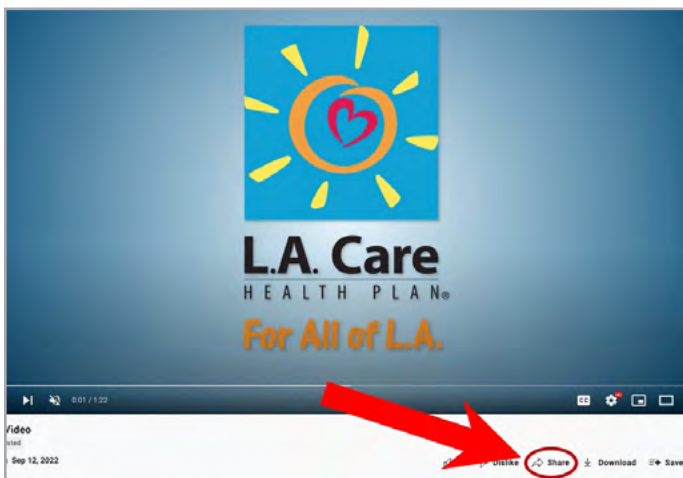

There are two possible methods:

Method 1: Simply copy and paste the original YouTube link that was shared with you into an email

Method 2:

- 1 Navigate to the YouTube video page
- 2 Click the "Share" icon at the bottom of the player

- 3 Copy the URL that appears on the popup

Sharing on a webpage

If you would like to share the videos on your webpage, this is how to locate the embed code on YouTube. For websites, we recommend using the horizontal version of the videos.

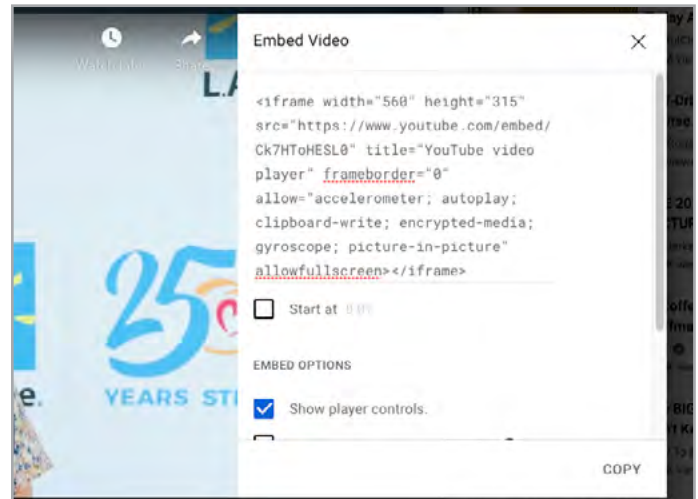

- 1 Navigate to the YouTube video page
- 2 Click the "Share" icon at the bottom of the player

- 3 Select "Embed"

- 4 Copy the embed code

MEDI-CAL CONTINUOUS COVERAGE REQUIREMENT

**Department of Health Care Services
Communication Toolkit Phase 1**

**DEPARTMENT OF
HEALTH CARE SERVICES**

Impact of COVID-19 on Medi-Cal Coverage

In January 2020, the U.S. Department of Health and Human Services (HHS) declared a [Public Health Emergency](#) (PHE) in response to the outbreak of COVID-19. Special rules were put in place during the COVID-19 PHE to allow more people to get access to and keep their Medi-Cal benefits. Prior to the PHE, California would review information provided by beneficiaries and renew their participation in Medi-Cal if they still qualified. However, when the continuous coverage requirement expires at the end of the PHE, California will need to conduct a full redetermination for all beneficiaries who would have otherwise been subject to redetermination.

Why Communications is Important

Currently, states are required to keep all Medicaid members continuously enrolled in health coverage. When the federal continuous coverage requirement ends, the process of redetermining individuals presents the single largest health coverage transition event since the first open enrollment of the Affordable Care Act and the Medicaid expansion. As California plans to resume normal business operations, beneficiaries will need to know what to expect and what they need to do to keep their health coverage. Most beneficiaries will either remain eligible for Medi-Cal or qualify for tax subsidies that will allow them to buy affordable coverage through Covered California.

This toolkit serves as a communications guide and provides resources to support ongoing preparations for the upcoming end of the continuous coverage requirement. Download the updated [Medi-Cal Continuous Coverage Resources](#) and start educating beneficiaries.

Communication Goals

The unwinding of federal Medicaid continuous coverage requirement necessitates a coordinated, phased communications plan to reach beneficiaries with messages across multiple channels using trusted messengers. The DHCS communication plan is designed to meet the following goals to help beneficiaries continue coverage once the COVID-19 PHE has ended:

- » **Educate** – Raise awareness of actions beneficiaries need to take and when they need to take them in order to maintain coverage.
- » **Engage** – Engage community partners with necessary tools for reaching beneficiaries.
- » **Provide Consistency** – Create a consistent voice across community partners.

Two-Phase Approach to Communications

- » **Phase 1** – This phase encourages beneficiaries to provide updated contact information, such as name, address, phone number, and email, so they can be contacted with important information about keeping their Medi-Cal benefits.
- » **Phase 2** – This phase will encourage beneficiaries to continue to update contact information, report any changes in circumstances, as well as check for upcoming renewal packets that may come through regular mail for cases that could not be renewed using information the local county office has available. Phase 2 will begin 60 days prior to the end of the PHE. A Phase 2 Outreach Toolkit will be released in the future.

DHCS Coverage Ambassadors

DHCS will engage community partners to serve as **DHCS Coverage Ambassadors** to deliver important messages to Medi-Cal beneficiaries about maintaining Medi-Cal coverage after the COVID-19 PHE ends. **DHCS Coverage Ambassadors** will be trusted messengers comprised of diverse organizations that can reach beneficiaries in culturally and linguistically appropriate ways. Additionally, **DHCS Coverage Ambassadors** will connect Medi-Cal beneficiaries at the local level with targeted and impactful communication.

Do I need to report any household changes to keep my Medi-Cal coverage?	Yes, you are required to report any changes in your household, such as income, if someone becomes pregnant, a new household member, and any changes to your address, to your local county office. This may help ensure that you continue to receive your Medi-Cal coverage after the end of the federal COVID-19 public health emergency. [insert local county contact information]
Are we required to fill out and return renewal packets when we receive them?	Yes, it is important that Medi-Cal beneficiaries respond to county requests for updated information, including renewal packets. This will make sure the county has the most current information it needs to renew your Medi-Cal coverage. It will also help the county see if you qualify for other no-cost or lower cost coverage.
Will I be discontinued from Medi-Cal coverage if I got a raise during the COVID-19 public health emergency?	Please report income changes to your local county office. If your income goes up or your household changes, as long as the COVID-19 public health emergency continues, you will not lose your Medi-Cal coverage.

I moved. Whom should I tell that I moved?

MEDI-CAL CONTINUOUS COVERAGE REQUIREMENT

**Department of Health Care Services
Communication Toolkit Phase 2**

Overview

In March 2020, the Centers for Medicare & Medicaid Services (CMS) temporarily waived certain Medicaid and Children's Health Insurance Program (CHIP) requirements and conditions in response to COVID-19. The easing of these rules helped people with Medicaid (Medi-Cal in California) and CHIP—in all 50 states, the District of Columbia, and the five U.S. territories—keep their health coverage during the pandemic. However, a new law ends Medicaid continuous coverage on March 31, 2023 and requires states to restart eligibility renewals beginning April 1, 2023.

Two-Phase Approach to Communications

DHCS is implementing a two-phased communication campaign to reach beneficiaries with messages across multiple channels using trusted partners called [DHCS Coverage Ambassadors](#).

Phase 1, Awareness – Launched in spring 2022, to encourage beneficiaries to provide updated contact information, such as name, address, phone number, and email address, so they can be contacted with important information about keeping their Medi-Cal benefits. Messaging focuses on “Keep yourself and your family covered.”

Phase 2, Renewal – Beginning in February, this stage will continue encouraging beneficiaries to update contact information and report any changes in personal circumstances. DHCS Coverage Ambassadors can use content from the [Medi-Cal Continuous Coverage Communication Toolkit - Phase 1](#) to encourage beneficiaries to update contact information. Additionally, it will also remind beneficiaries to check their mail for upcoming renewal packets they will receive by mail that will be issued for those who could not be renewed using information the local county office already has available. Beneficiaries will also be encouraged to check their online accounts for renewal alerts. The template messaging in this toolkit for Phase 2 focuses on themes including “Renew it or lose it” and “Time to renew” language, to emphasize the importance and urgency of renewal. The resources provided in this toolkit will further assist DHCS Coverage Ambassadors with outreach to beneficiaries about their renewals, and what they need to do to avoid a gap in coverage.

The focus of the communications campaign messaging is to encourage beneficiaries to report any changes in contact information including name, current address, email address, or phone number. Beneficiaries can update contact information in person, phone, mail, or online, if it has changed.

DHCS Coverage Ambassadors

Sign up to become a [DHCS Coverage Ambassador](#) today.

The Medi-Cal continuous coverage toolkit and webpage are available to help DHCS Coverage Ambassadors to customize push communications to Medi-Cal beneficiaries to encourage them to update their contact information with their counties, if it has changed. This will help ensure they receive important information about keeping their Medi-Cal coverage.

As further communications are needed, updated toolkits will be posted on the DHCS website as they become available and will be distributed to DHCS Coverage Ambassadors.

Key Messages

DHCS Coverage Ambassadors should focus on encouraging beneficiaries to get ready to renew their Medi-Cal coverage. Messages should be simple, direct, and informative:

Awareness

- **Log into your account** – Make sure that Medi-Cal has up-to-date information. Visit [KeepMediCalCoverage.org](#) to learn more and to sign up for email and text message alerts.

or

- **Update your contact information** – Make sure counties have your current name, mailing address, phone number, email address, or other contact information if it has changed. This way, counties can contact you about your Medi-Cal.

Renewal

- **Create or check your online account** – Create or check your Covered California, BenefitsCal, or MyBenefitsCalWIN account for alerts. You may be able to submit renewals or requested information online.
- **Complete your renewal form (if you get one)** – If you received a renewal form in the mail, you may submit your information by mail, phone, in person, or online to help avoid a gap in your Medi-Cal coverage.
