## Regional Community Advisory Committee (RCAC) 8

### Community Outreach & Engagement Department Mission:

Empower L.A. Care members to identify issues that impact the community and to improve the delivery of health care services in L.A County through advocacy, education and resources.

### A Promise to Our RCAC:

A diverse Regional Community Advisory Committees (RCAC) structure is a testament to the strength and vibrancy of its people. We share community spaces where different voices come together, with unique insights that promote collective problem-solving and innovation. This is particularly helpful in addressing health disparities, as it ensures that the needs of all community members are considered. L.A. Care appreciates our partnership with our members and promises to continue supporting these efforts as a community accountable health plan.

The agenda and printed meeting materials are available for inspection before the meeting at the designated Community Resource Center, located in the reception area of the center lobby
